Vision, Mission, & Core Value

VISION

It is our objective to modernize the Port as a first class facility in the region providing cargo handling services in a safe, efficient & sustainable manner. To achieve this, the Port must increase capacity, execute infrastructure development and Port expansion to meet the community's organic growth and the impending military buildup, promote economic growth & opportunities for maritime related industries and address the needs of port users.

MISSION

The Port Authority of Guam is dedicated to providing full services to ocean vessels in support of loading and unloading cargo for Guam and Micronesia. The Port Authority of Guam is the main lifeline of consumer goods into the island, and as such, recognizes its responsibility to deliver these goods in a timely and efficient manner. In support of this mission the Port Authority also provides land and infrastructure to private interests to further develop the maritime industries on Guam. As a public corporation, the Port Authority dedicates all of its profit to the upgrading of equipment and facilities and the continued growth of the island's seaport.

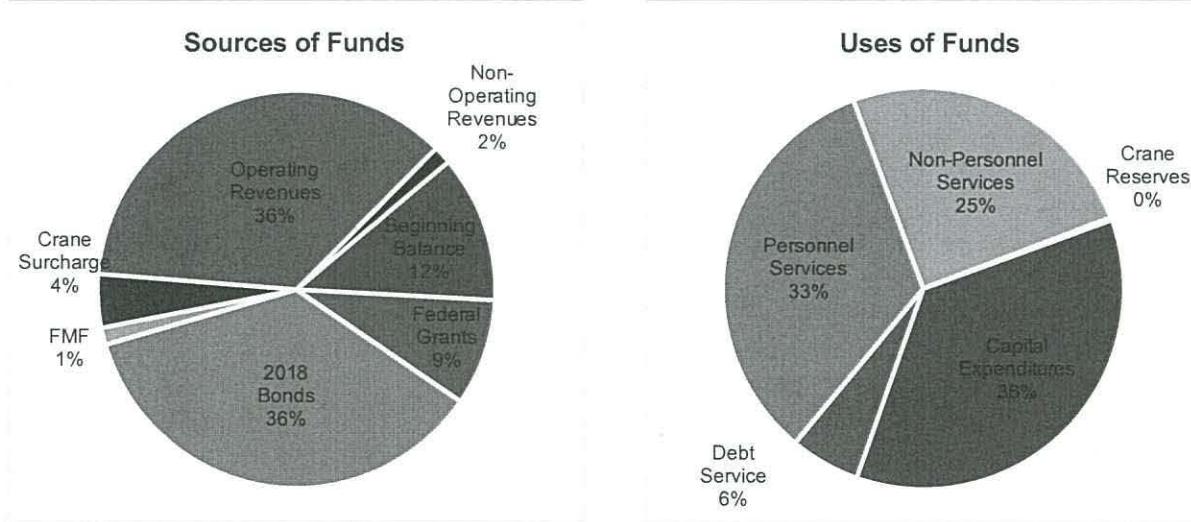

CORE VALUE

"We Keep Guam & the Region Moving...."

Guam's deep water port, sheltered within the inner reaches of Apra Harbor, offers facilities and services to ships of all registries. Dedicated to providing a combination of maritime, commercial, transportation, and recreational services in a safe, efficient, and reliable manner through the development of modern facilities, information technology, and skilled workforce, the Port Authority of Guam is striving to develop into the world-class container terminal port of the Western Pacific Region.

BUDGET OVERVIEW

The Port revenues are generated primarily from various fees and tariffs charged to users and tenants of Port facilities and to agents, carriers and shippers for the movement of cargo through the Port. The annual operating and capital budgets are a forecast of expected resources and the purposeful distribution of those resources. This Fiscal Year (FY) 2020 Budget reflects our commitment to fiscal responsibility and accountability while making capital expenditures in corroboration with our strategic priorities. The Port operations are 100% supported by a combination of Port related revenues, grants, bond financing and existing funds.

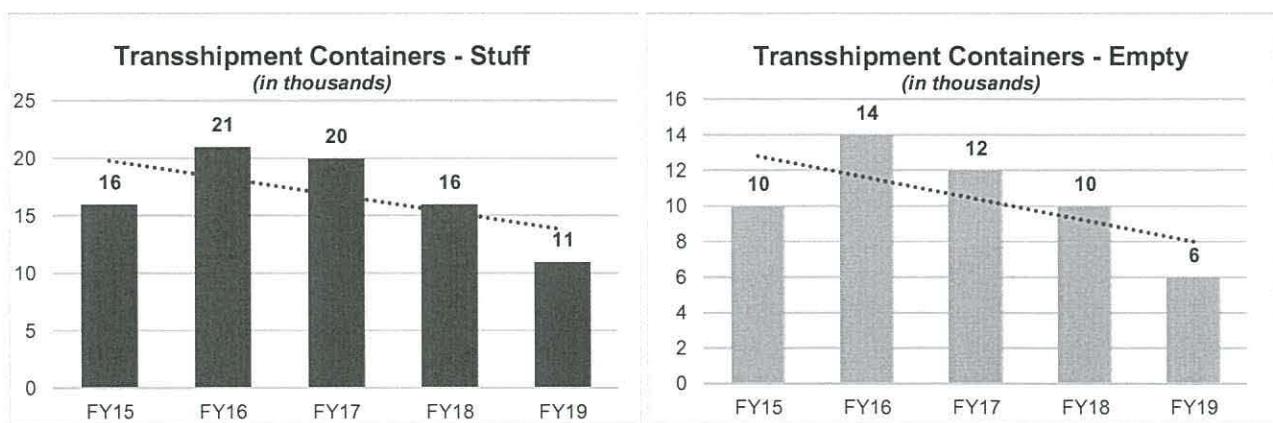

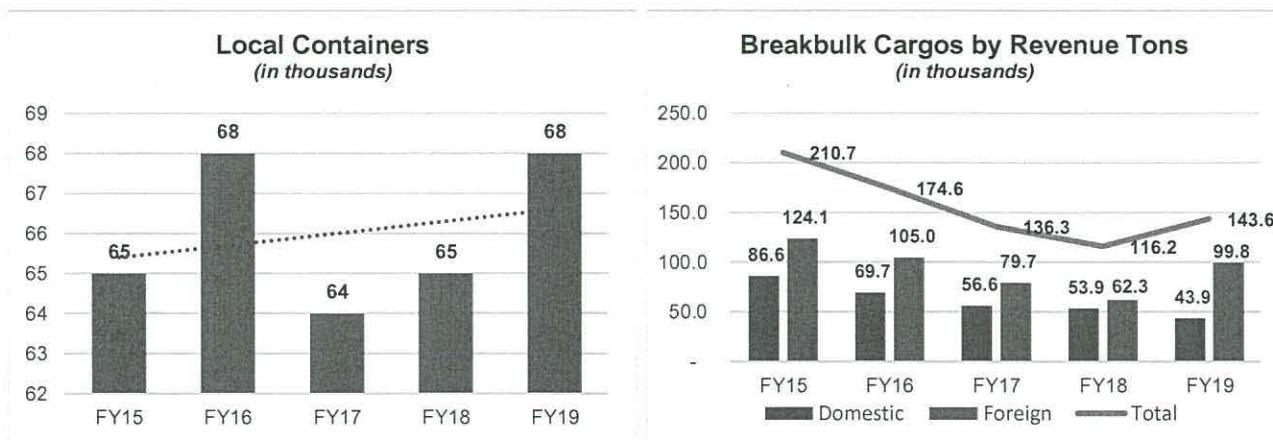

Management is aware of the need to oversee the total cost of operations and continue investing in the port's key initiatives, the following issues were considered in preparing the FY20 budget:

- The flat growth in revenue due to slow down in some revenue categories such as transshipments and signs of improvement on other cargo categories like breakbulk cargos.
- Impact of costs of salary and benefits due to the implementation of new salary scale in September 2018
- Debt service financing
- Implementation of Bond Projects
- New Operations' schedule in compliance with Union's Collective Bargaining Agreement
- Training requirements of Operations, Maintenance and Administrative employees
- Implementation of the Port's Information Technology improvements and enhancements
- Future investment of new gantry cranes

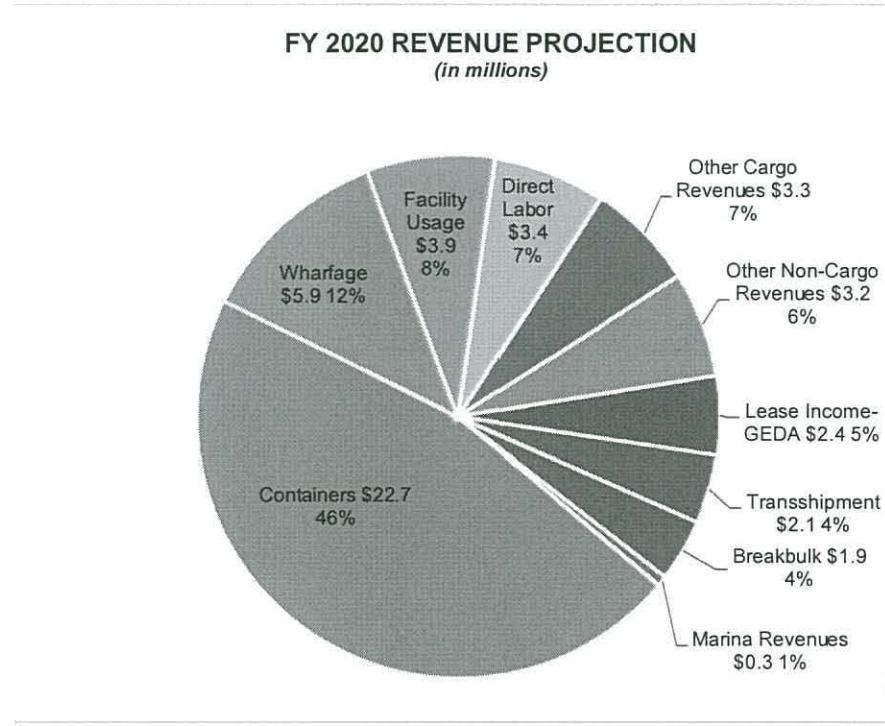

REVENUES

The FY 2020 Budget projects operating revenues of \$49.1 million, an increase of 2.3 % over FY 2019 estimated operating revenues. 80% of the projected FY 2020 operating revenues is from cargo related revenues and 20% is from leases, facility usage and other non-cargo revenues. This total does not include revenues derived from Crane Surcharge and Facility Maintenance Fees.

Although the anticipated total cargo revenues in Fiscal Year 2019 will be higher by less than 1% of the FY 19 projections, the output of each major cargo categories reflected mix results. Local containers handled in FY19 is tracking to be higher by 5% than FY18, from 65 thousand in FY18 to 68 thousand in FY19. Transshipment containers handled in FY19, both stuff and empty, is tracking to decrease by 31%, from 26 thousand containers in FY18 down to 18 thousand containers in FY19. Breakbulk cargos in FY 19 is expected to increase by 24%, from 116 thousand revenue tons in FY18 to 144 thousand revenue tons in FY19. Non-cargo revenues are projected to decrease by less than 1% in FY20 as compared to FY19 projections.

Although it is anticipated that revenues will be flat, the FY20 cargo revenues reflect a 1% increase due to the implementation of the Public Utilities Commission's (PUC) order on PAG Docket 17-01 regarding Five Year Tariff Increase. Fiscal Year 2020 will be the fourth year of the five-year rate increase with an order of 1% rate increase to the Port's terminal tariff excluding the crane surcharge. The breakdown of the Port's FY 2020 revenues is shown in the pie chart below.

EXPENSES

The Fiscal Year 2020 Budget projects operating expenses of \$48.5 million, an increase of \$2 million or 4% as compared to FY 2019 Mid-Year Budget. This increase is mainly due to Salaries and Benefits budget in FY 20 which is up by 10% as compared to FY 19 Mid-Year budget, from \$30.2 million in FY 19 to \$33.1 million in FY 20. Factors for the increase in this category are funding of vacant positions needed for Port operations, safety, security and administration, vacant positions of employees with cases in the Civil Service Commission (CSC), salary and benefit increments of current full time employees and positions under Long Term Disability (LTD) status. This total does not include salaries and benefits of Crane Mechanics of \$1.1 million, which are funded by the Crane Surcharge revenues. The total salaries and benefits under the FY 2020 Staffing Budget is \$34.2 million

To make certain that FY 20 budget operates within its means and end in a net income, budget requests by divisions that can be classified as an asset were move to equipment budget or under capital improvement projects. Other expense request by the divisions were reduced due to historical trends of none to minimal usage of their expense line items. To ensure that each division are funded to support their operations, the Budget team reviewed the historical trends and finalized the division's budget within reason and functionality. Training budget remains fully funded to ensure the certification requirements and work enhancements of the Port workers are met. Travel budget are for costs related to approved off-island trainings, meetings with Bond and Federal authorities, conferences to Port associations and other related organizations. Since the Port normally does a mid-year budget, the results of the first half of the year will be revisited and adjust in accordance to the operational needs. As a result, the total Other Divisional Expense decreased by 14%, from \$3.4 million in FY 19 budget to \$3.0 million in FY 20.

Expenses that are classified under General Expense were also reviewed based on their historical trends and current status. As a result, the total General Expense Budget for FY20 decreased by 3%, from \$12.8 million in FY19 to \$12.4 million in FY20. The primary reason for the decrease are costs of outside legal counsel, Owner's Agent Engineer cost and PUC Legal Counsel. Other Contractual expenses also decreased by 13% based prior year's actual results for that category.

CAPITAL IMPROVEMENT PROGRAM

The FY 20 Capital Budget reflects the Port's focus on new construction and significant repairs, renovations and upgrades to the Authority's facilities and major equipment required to maintain operations, including buildings and support facilities, pavements and structures, security fencing and gates, computerized terminal operating systems (TOS) and financial management systems

(FMS). For the Port to meet the needs of the operations and to serve its customers, it must invest in the acquisition, development and maintenance of long-term assets.

The Port forecast to spend almost \$40 million in FY 2020 out of the total CIP and Equipment projects in the amount of \$71 million. Below is the high-level list of the planned capital assets in Fiscal Year 2020.

CONCLUSION

Based on the plan revenues and expenses in FY 2020, the estimated outcome for operating income is \$593 thousand and a net income of \$2.3 million after adding non-operating income of \$1.7 million. The overall projected net income for FY 2020 is estimated at \$4.7 million after including income from Crane Surcharge and Facility Maintenance Fee.

Despite the challenging realities in the Port's operations, the Port's management is confident that the plans outlined in the FY 2020 budget will help the Port to remain financially strong, competitive and successful.

MEMORANDUM

TO: Board of Directors

FROM: Rory J. Respicio, General Manager

SUBJECT: Temporary Staffing Services

Hafa Adai! This letter is to seek your support for an innovative solution to meet the Port's temporary staffing challenges in light of the significant increase of container and breakbulk cargo resulting from the anticipated military construction.

The National Defense Authorization Act (NDAA) authorized \$253 million in new military construction projects for Fiscal Year 2017. In Fiscal Year 2018, the NDAA authorized a total of \$355.6 million in new military construction projects. In recent news articles, it was reported that President Donald Trump's proposed defense spending plan for Fiscal Year 2020 may include \$400 million worth of military construction projects for Guam.

Based on the expected aggregate population increase statistics, Guam should expect to see increases in U.S. Department of Defense military personnel and dependents to the island between 2018 and the highest peak increase in 2023.

The 2013 Port Master Plan Update was based on the assumption the military build-up was pushed back. Because of acceleration timelines in the military build-up construction projects, the Port is updating its 2013 Master Plan to reflect these developments.

To prepare for the anticipated increase in cargo as a result of the military build-up, as well as meeting the on-going demands from the Port's organic growth, management continues to conduct a manpower assessment to determine the Port's human resources requirements. We are also exploring potential contractual options in supplementing the Port's manpower needs, such as, temporary staffing as indicated as one of the goals in the recent performance evaluations for management.

Through research, we found that bringing in temporary human resources has become a common staffing solution for many organizations to fill in while employees are on long term leave or for seasonal help. The benefits of temporary staffing is that it reduces the organization's costs in personnel salaries and wages, thus allowing the Port to maintain its workforce needs, ensuring our work productivity levels and workplace safety are not compromised.

In light of the above, we are requesting the Board's approval to authorize management to prepare and issue a Request for Proposal for temporary staffing for Fiscal Year 2020. The funding for this innovative solution to meet the Port's human resources needs on an as needed basis will come from the Other Small Projects Account.

Your approval on this request is appreciated. *Si Yu 'os Ma 'ase.*

Resolution No. 2019-08

RELATIVE TO FURTHER RECOGNIZING THE VALUE OF THE EMPLOYEES OF THE JOSE D. LEON GUERRERO COMMERCIAL PORT HAVE ON OUR ISLAND'S LOCAL AND REGIONAL ECONOMIES AND TO HONOR THEM BY ADDING LABOR DAY TO THE APPROVED LIST OF HOLIDAY'S OBSERVING "NO VESSEL OPERATIONS" FOR THE JOSE D. LEON GUERRERO COMMERCIAL PORT.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE JOSE D. LEON GUERRERO COMMERCIAL PORT:

WHEREAS, in 1986 the Board of Directors approved a holiday work schedule which "No Vessel Operations" will be performed on certain hours for Christmas Eve, Christmas Day, New Year's Eve and New Year's Day, Good Friday; and

WHEREAS, Public Law 26-157 removed Good Friday as a holiday, however, the holiday work schedule for the Christmas and New Year eves and days remained in effect; and

WHEREAS, every year, Labor Day is a "creation of the labor movement and is dedicated to the social and economic achievements of the American workers, constituting a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country"; and

WHEREAS, this federal holiday, which is also observed locally, should be truly observed for the employees of the Jose D. Leon Guerrero Commercial Port for their contributions ensuring the strength, prosperity, and well-being of our island's local and regional economies; and

WHEREAS, employees of the Jose D. Leon Guerrero Commercial Port should also experience a true day off to give them the much needed time to be with their families and friends; and

WHEREAS, in addition to continuing the practice of "No Vessel Operations" for Christmas and New Year, the Board of Directors herein acknowledge management's efforts to include Labor Day as a "No Vessel Operations," securing the support of the Port Users Group, including major shippers: American President Lines, Matson Navigation, and Mariana Express Lines, clearing the way for Board action on this initiative; and

WHEREAS, the Board of Directors herein proclaim that management's request to include Labor Day as a "No Vessel Operations" day is in concert with the Leon Guerrero-Tenorio Administration and this Board's philosophy of providing, whenever practicable, the same recognition and parity afforded to other workers; and

WHEREAS, recent improvements made to the Port employee's work schedule, in terms of fairness, accountability, transparency and consistency in the application of their two-week schedule and daily shift assignments, together with the recent Board approval of the union contract has led to a significant improvement in employee-morale, thus yielding higher productivity levels, thereby making management's proposal warranted; now therefore be it

RESOLVED, that the holiday work schedule authorizing "No Vessel Operations" at the Jose D. Leon Guerrero Commercial Port will be as follows:

- | | |
|---------------------------|--|
| 1. Christmas Eve and Day | 1900 hours December 24 to 0700 hours December 26 |
| 2. New Year's Eve and Day | 1900 hours December 31 to 1200 hours January 1 |
| 3. Labor Day | 0001 hours Sunday preceding First Monday in September to 2400 hours First Monday in September; |

and be it further

RESOLVED, that the Board of Directors encourage all employees to safely and responsibly celebrate Labor Day with their families and friends, being mindful of this holiday's historical significance; and be it further

RESOLVED, that the General Manager notify the Port users, tenants, employees, and the public of this new holiday work schedule; and be it further

RESOLVED, that the Chairman certify and the Secretary attest to, the adoption hereof.

PASSED AND ADOPTED UNANIMOUSLY BY THE BOARD OF

DIRECTORS THIS 27th DAY OF AUGUST, 2019.

Resolution No. 2019-09

RELATIVE TO ESTABLISHING A FACILITY MAINTENANCE FEE INVESTMENT ACCOUNT FOR THE PORT AUTHORITY OF GUAM

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE JOSE D. LEON GUERRERO COMMERCIAL PORT:

WHEREAS, Public Law 30-52 placed the Jose D. Leon Guerrero Commercial Port under the oversight of the Public Utilities Commission (PUC) for establishment or modifications of rates and other charges; and

WHEREAS, on January 29, 2010 through PAG Docket 09-02, the Public Utilities Commission approved the Port Authority of Guam's petition for Facility Maintenance Fee; and

WHEREAS, the Port Authority of Guam recognizes the need to open a similar account to that of the Crane Surcharge Reserve Account which will accrue higher interest income; and

WHEREAS, the Port Authority of Guam recognizes that the new Facility Maintenance Fee Investment Account will be a Federally Insured Cash Account that enables the Port to draw-down funds as needed; and

WHEREAS, the Port Authority of Guam shall utilize the funds for the said account to fund on-going construction for facility repairs and improvements; now therefore be it

RESOLVED, that the new account be created for the sole purpose of an Investment Account; and be it further

RESOLVED, that the Port Authority of Guam authorizes the Bank of Guam Trust Services Department to establish an account for the Facility Maintenance Fee Investment Account; and be it further

RESOLVED, that the following individuals are the authorized signatories for the Facility Maintenance Fee Investment Account; and be it further

1. Rory J. Respicio, General Manager
2. Dominic G. Muna, Deputy General Manager of Operations
3. Connie Jo Shinohara, Deputy General Manager of Administration & Finance
4. Jose B. Guevara III, Financial Affairs Controller

RESOLVED, that the Chairman certifies, and the Secretary attest to, the adoption hereof and that copies of the same be thereafter transmitted to Bank of Guam.

MEMORANDUM

TO: Board of Directors

FROM: Rory J. Respicio, General Manager

SUBJECT: Port Personnel Rules & Regulations: Rule 6.302 and Rule 7.008

Hafa Adai! At the July 9, 2019 Special Board meeting, Ms. Connie Jo Shinohara, Deputy General Manager for Administration & Finance, requested if it is still the Board of Directors' desire to amend the current Port Personnel Rules and Regulations, specifically, Sections 6.302, Salary Increment Procedures and 7.008, Salary Increment, as discussed at the Board meeting on September 6, 2018. The Board directed management to proceed as instructed in the September 6, 2018 board meeting.

The following background information is being provided for your reference:

1. Performance Evaluation and Board Policy on Salary Increments Sub-Steps

On September 15, 2010, the Board of Directors approved an interim procedures on the granting of salary increments for the old performance evaluation forms while the Port Consultant Alan Searle worked on the new performance evaluation forms and procedures. The Port was supposed to transition under its new classification and compensation plan. However that transition never happened, the Port continued to use the old performance evaluation forms.

According to the interim procedures the Board approved, Port employees are entitled to incremental increases based on the overall evaluation rating earned as follows:

Points	Overall Evaluation	No. of Incremental Increases
0-25	Unsatisfactory	None
26-34	Satisfactory (Marginal)	2 Sub-steps
35-49	Satisfactory	3 Sub-steps
50-59	Satisfactory (Highly)	4 Sub-steps
60-65	Outstanding	5 Sub-steps

The policy states an additional sub-step is granted to employees who obtained certifications, licenses or educational achievements during the performance period, related to their current position, and must be in excess of the minimum educational requirement of the position stipulated in the job specification.

For Example: A crane operator's job specification states the minimum qualification requirement is that the applicant possess a high school diploma or equivalency and a valid chauffeur's license. If the crane operator obtains a certification or re-certification in the operation of the crane or related equipment, this certification is considered to be beyond the minimum requirements of the employee's job specification. As such, the employee is entitled to an additional sub-step.

Memo to the Board of Directors
RE: Port Personnel Rules & Regulations: Rule 6.302 and Rule 7.008

Page 2 of 2

In 2015, prior Port management arbitrarily stopped granting employees the additional sub-step without any explanation. We reviewed the Board minutes and could not find a definitive action taken by the Board to formally hold in abeyance the additional sub-step policy. We inquired with the Human Resources (HR) Division as to the status of the new performance evaluation forms and procedures. HR advised us that the development of the performance evaluation forms and procedures were held in abeyance, and was never completed by the Consultant and the HR staff assigned to this project in 2010.

Recommendation: We are recommending board approval for the following:

- A. That the Board direct management to prospectively provide employees with the additional sub-step, if they obtained certifications, licenses or educational achievements during the performance period related to their current position and such is found to be in excess of the minimum educational requirement of the position for future salary increments.
 - B. That the Board direct management to work with HR staff to complete the performance evaluation form and procedures to be used under the Port's Classification and Compensation Plan.
2. Reduction of Salary Increment Sub-steps

At the September 28, 2018 Board meeting, Mr. Searle presented a petition dated August 16, 2018 to amend certain sections of the Personnel Rules and Regulations regarding salary increments. This proposal sought to decrease the salary incremental sub-steps from 6 to 3.

On September 26, 2018, the Board approved Mr. Searle's recommendation to reduce the increment sub-steps from 6 to 3. This Board action requires a change in the Port's Personnel Rules and Regulations. Title 5, Chapter 9, Section 9301 of the Guam Code Annotated provides that any changes in the Port's Personnel Rules and Regulations would have to be statutorily made.

We have made the determination that seeking a legislative solution to decrease the salary incremental sub-steps from 6 to 3 would not be in the best interest of the Port employees. We have found no significant justification to decrease the salary incremental sub-steps from 6 to 3, especially since the \$1.7M fiscal impact of the 2018 Pay Compensation Plan recently has been fully funded by the Board in the FY2019 Midyear Budget utilizing existing FY2019 Budget Appropriation levels, and proposed to be fully budgeted for FY2020, including sufficient amounts for the salary incremental subsets, should the directive of the prior Board be rescinded.

Recommendation: We are recommending board approval for the following:

- A. The Board rescind the Board's decision of September 26, 2018 to reduce the increment sub-steps from 6 to 3.

Your favorable consideration on the above recommendations is appreciated. *Si Yu'os Ma'ase.*

Statement from the Jose D. Leon Guerrero Commercial Port Board of Directors

Good afternoon. The Board of Directors of the Jose D. Leon Guerrero Commercial Port recently rose from executive session to discuss on-going litigation with Port Counsel Attorney Joe McDonald and General Manager Rory J. Respicio.

We have been advised by Attorney McDonald that the discussions in executive session are privileged. And while the details of those discussion are privileged as prescribed in Guam's Open Government Law, we are able to disclose to the public and to the media that one of the items under discussion is the recent Supreme Court Opinion (Port Authority of Guam v. Kevin J. T. Susuico) which on July 30, 2019, Supreme Court issued their opinion on Mr. Susuico's adverse action appeal. The justices affirmed the Superior Court's judgement dated October 12, 2017, which adjudged and ordered the following:

1. The July 30, 2013 decision and judgement of the Civil Service Commission awarding Mr. Susuico back pay and credit for sick and annual leave, minus deductions for retirement contributions and mitigation;
2. Mr. Susuico is entitled to interest on all outstanding back pay and benefits until paid in full; and
3. Awarding Mr. Susuico attorney fees and cost incurred.

Following this Supreme Court Opinion, PAG Board Chairman Francisco G. Santos issued a memorandum to General Manager Respicio instructing him to work with Attorney McDonald to present to the Board the following.

1. Recommendations for the Board's consideration on whether or not litigation should be pursued;
2. Estimated legal filing fees and attorney cost if it is to be pursued;
3. Mr. Susuico's back pay plus interest;
4. Total accrued annual and sick leave hours; and
5. Breakdown of legal fees incurred by the Port and Mr. Susuico's attorneys to include motions for reconsiderations filed in both the Superior and Supreme courts.

We have just concluded this discussion in executive session, and report that the Board concurs with Attorney McDonald's recommendation that it is in the best interest of the Port and the people of Guam that:

1. No further appeal be taken; and
2. management takes the necessary steps to wind-down the litigation.

The PAG Board acknowledges Attorney McDonald for his advice and counsel.

Respectfully,

Francisco G. Santos
