Vision, Mission, & Core Value

VISION

It is our objective to modernize the Port as a first class facility in the region providing cargo handling services in a safe, efficient & sustainable manner. To achieve this, the Port must increase capacity, execute infrastructure development and Port expansion to meet the community's organic growth and the impending military buildup, promote economic growth & opportunities for maritime related industries and address the needs of port users.

MISSION

The Port Authority of Guam is dedicated to providing full services to ocean vessels in support of loading and unloading cargo for Guam and Micronesia. The Port Authority of Guam is the main lifeline of consumer goods into the island, and as such, recognizes its responsibility to deliver these goods in a timely and efficient manner. In support of this mission the Port Authority also provides land and infrastructure to private interests to further develop the maritime industries on Guam. As a public corporation, the Port Authority dedicates all of its profit to the upgrading of equipment and facilities and the continued growth of the island's seaport.

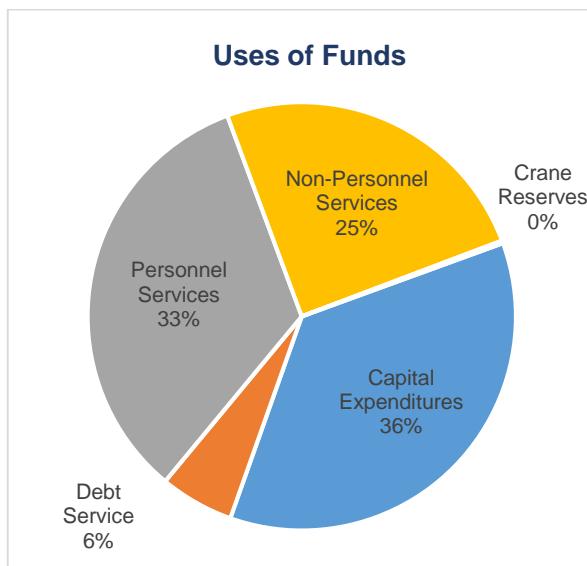

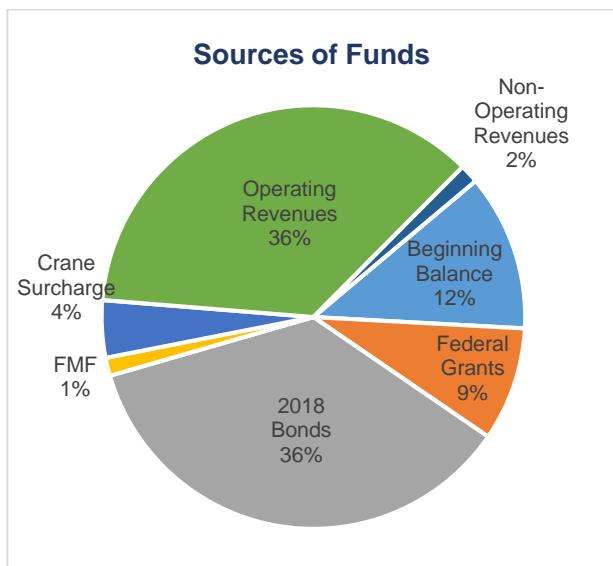

CORE VALUE

"We Keep Guam & the Region Moving....

Guam's deep water port, sheltered within the inner reaches of Apra Harbor, offers facilities and services to ships of all registries. Dedicated to providing a combination of maritime, commercial, transportation, and recreational services in a safe, efficient, and reliable manner through the development of modern facilities, information technology, and skilled workforce, the Port Authority of Guam is striving to develop into the world-class container terminal port of the Western Pacific Region.

BUDGET OVERVIEW

The Port revenues are generated primarily from various fees and tariffs charged to users and tenants of Port facilities and to agents, carriers and shippers for the movement of cargo through the Port. The annual operating and capital budgets are a forecast of expected resources and the purposeful distribution of those resources. This Fiscal Year (FY) 2020 Budget reflects our commitment to fiscal responsibility and accountability while making capital expenditures in corroboration with our strategic priorities. The Port operations are 100% supported by a combination of Port related revenues, grants, bond financing and existing funds.

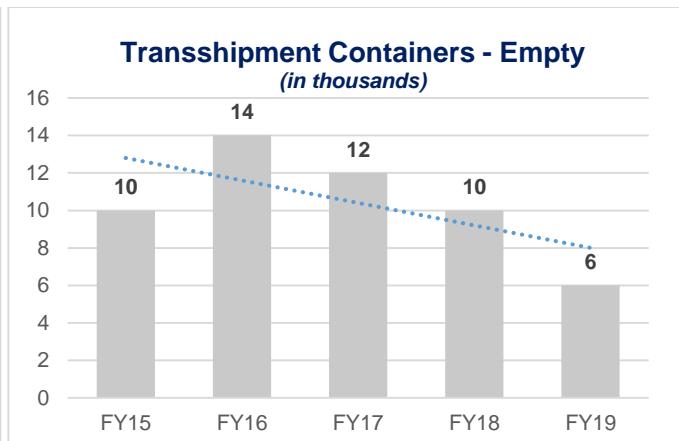

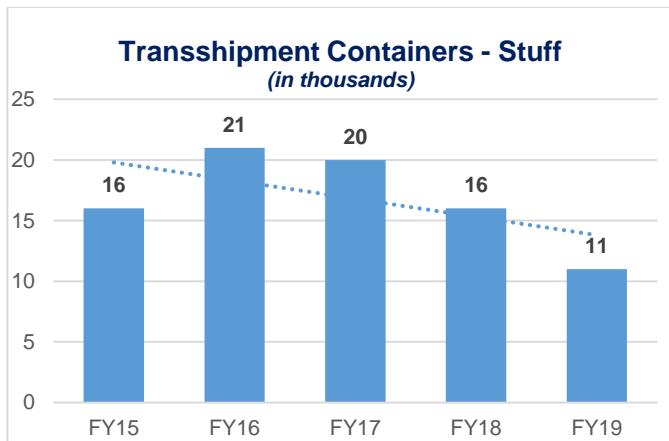

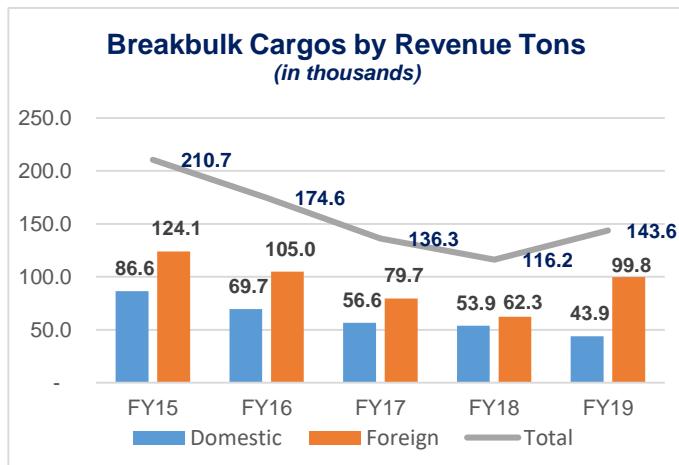

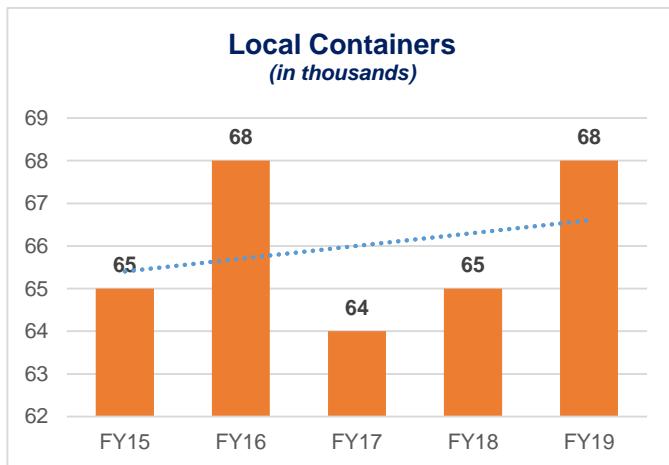

Management is aware of the need to oversee the total cost of operations and continue investing in the port's key initiatives, the following issues were considered in preparing the FY20 budget:

- The flat growth in revenue due to slow down in some revenue categories such as transshipments and signs of improvement on other cargo categories like breakbulk cargos.
- Impact of costs of salary and benefits due to the implementation of new salary scale in September 2018
- Debt service financing
- Implementation of Bond Projects
- New Operations' schedule in compliance with Union's Collective Bargaining Agreement
- Training requirements of Operations, Maintenance and Administrative employees
- Implementation of the Port's Information Technology improvements and enhancements
- Future investment of new gantry cranes

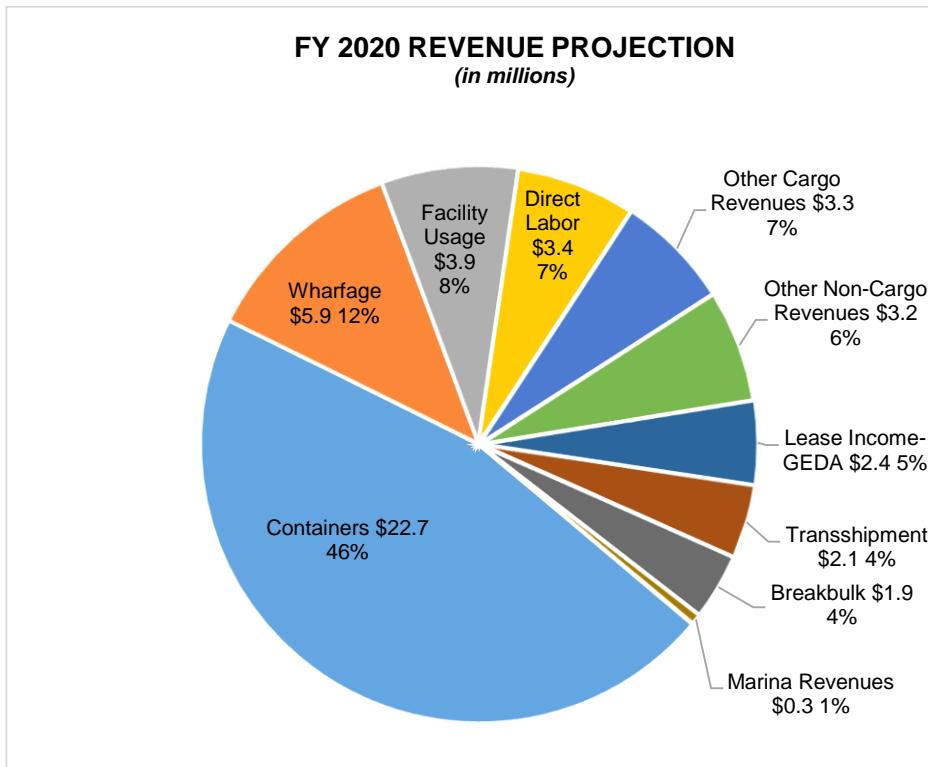

REVENUES

The FY 2020 Budget projects operating revenues of \$49.1 million, an increase of 2.3 % over FY 2019 estimated operating revenues. 80% of the projected FY 2020 operating revenues is from cargo related revenues and 20% is from leases, facility usage and other non-cargo revenues. This total does not include revenues derived from Crane Surcharge and Facility Maintenance Fees.

Although the anticipated total cargo revenues in Fiscal Year 2019 will be higher by less than 1% of the FY 19 projections, the output of each major cargo categories reflected mix results. Local containers handled in FY19 is tracking to be higher by 5% than FY18, from 65 thousand in FY18 to 68 thousand in FY19. Transshipment containers handled in FY19, both stuff and empty, is tracking to decrease by 31%, from 26 thousand containers in FY18 down to 18 thousand containers in FY19. Breakbulk cargos in FY 19 is expected to increase by 24%, from 116 thousand revenue tons in FY18 to 144 thousand revenue tons in FY19. Non-cargo revenues are projected to decrease by less than 1% in FY20 as compared to FY19 projections.

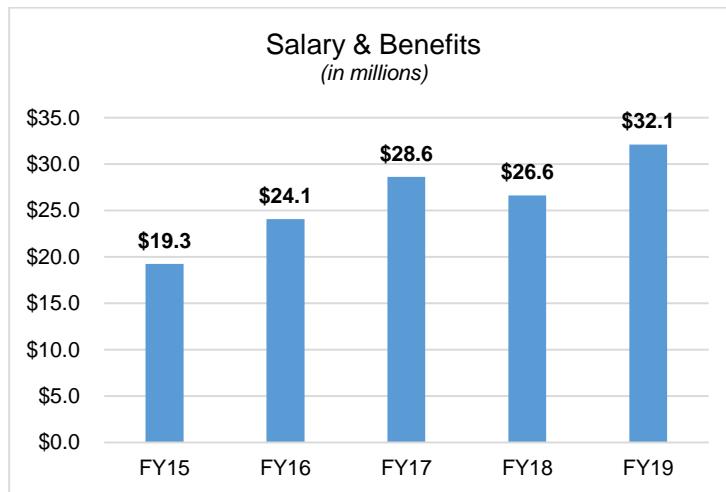

Although it is anticipated that revenues will be flat, the FY20 cargo revenues reflect a 1% increase due to the implementation of the Public Utilities Commission's (PUC) order on PAG Docket 17-01 regarding Five Year Tariff Increase. Fiscal Year 2020 will be the fourth year of the five-year rate increase with an order of 1% rate increase to the Port's terminal tariff excluding the crane surcharge. The breakdown of the Port's FY 2020 revenues is shown in the pie chart below.

EXPENSES

The Fiscal Year 2020 Budget projects operating expenses of \$47.9 million, an increase of \$1.5 million or 4% as compared to FY 2019 Mid-Year Budget. This increase is mainly due to Salaries and Benefits budget in FY 20 which is up by 8% as compared to FY 19 Mid-Year budget, from \$30.2 million in FY 19 to \$32.6 million in FY 20. Factors for the increase in this category are funding of vacant positions needed for Port operations, safety, security and administration, vacant positions of employees with cases in the Civil Service Commission (CSC), salary and benefit increments of current full time employees and positions under Long Term Disability (LTD) status. This total does not include salaries and benefits of Crane Mechanics totaling to \$1.1 million, which are funded by the Crane Surcharge revenues. The total salaries and benefits under the FY 2020 Staffing Budget is \$33.7 million

To make certain that FY 20 budget operates within its means and end in a net income, budget requests by divisions that can be classified as an asset were move to equipment budget or under capital improvement projects. Other expense request by the divisions were reduced due to historical trends of none to minimal usage of their expense line items. To ensure that each division are funded to support their operations, the Budget team reviewed the historical trends and finalized the division's budget within reason and functionality. Training budget remains fully funded to ensure the certification requirements and work enhancements of the Port workers are met. Travel budget are for costs related to approved off-island trainings, meetings with Bond and Federal authorities, conferences to Port associations and other related organizations. Since the Port normally does a mid-year budget, the results of the first half of the year will be revisited and adjust in accordance to the operational needs. As a result, the total Other Divisional Expense decreased by 14%, from \$3.4 million in FY 19 budget to \$3.0 million in FY 20.

Expenses that are classified under General Expense were also reviewed based on their historical trends and current status. As a result, the total General Expense Budget for FY20 decreased by 3%, from \$12.8 million in FY19 to \$12.4 million in FY20. The primary reason for the decrease are costs of outside legal counsel, Owner's Agent Engineer cost and PUC Legal Counsel. Other Contractual expenses also decreased by 13% based prior year's actual results for that category.

CAPITAL IMPROVEMENT PROGRAM

The FY 20 Capital Budget reflects the Port's focus on new construction and significant repairs, renovations and upgrades to the Authority's facilities and major equipment required to maintain operations, including buildings and support facilities, pavements and structures, security fencing and gates, computerized terminal operating systems (TOS) and financial management systems

(FMS). For the Port to meet the needs of the operations and to serve its customers, it must invest in the acquisition, development and maintenance of long-term assets.

The Port forecast to spend almost \$40 million in FY 2020 out of the total CIP and Equipment projects in the amount of \$71 million. Below is the high-level list of the planned capital assets in Fiscal Year 2020.

| Committed Capital Projects | Funding Source | FY 20 Budget | FY 20 - 22 Budget | % of FY 20 Total Committed |
|--------------------------------------|----------------|--------------|-------------------|----------------------------|
| E1 Financial Mgt. System | Bond | 1,200,000 | 2,000,000 | 60% |
| Golf Pier Repair | Bond | 768,193 | 2,560,642 | 30% |
| Waterline Replacement and Relocation | Bond | 2,247,908 | 7,493,027 | 30% |
| EQMR Building | Bond | 1,177,791 | 3,925,969 | 30% |
| Warehouse 1 Bldg. Repair | Bond | 944,499 | 3,148,331 | 30% |
| Admin Building Annex | Bond | 3,150,000 | 10,500,000 | 30% |
| F1 Wharf Repair | Bond | 450,000 | 1,500,000 | 30% |
| Other Bond Projects | Bond | 1,050,000 | 3,500,000 | 30% |
| H Wharf Rehabilitation & Access Road | Bond & Federal | 17,830,500 | 23,744,255 | 75% |
| Federally Funded Projects | Federal & Port | 2,079,521 | 2,599,401 | 80% |
| 61 Reefer Outlets | FMF | 1,500,000 | 1,500,000 | 100% |
| 2 Top Lifters | MARAD | 1,600,000 | 1,600,000 | 100% |
| Crane Projects | CS | 2,706,100 | 2,706,100 | 100% |
| Other Small Projects | Port | 3,000,000 | 4,000,000 | 75% |
| Total Committed | | 39,704,512 | 70,777,725 | |

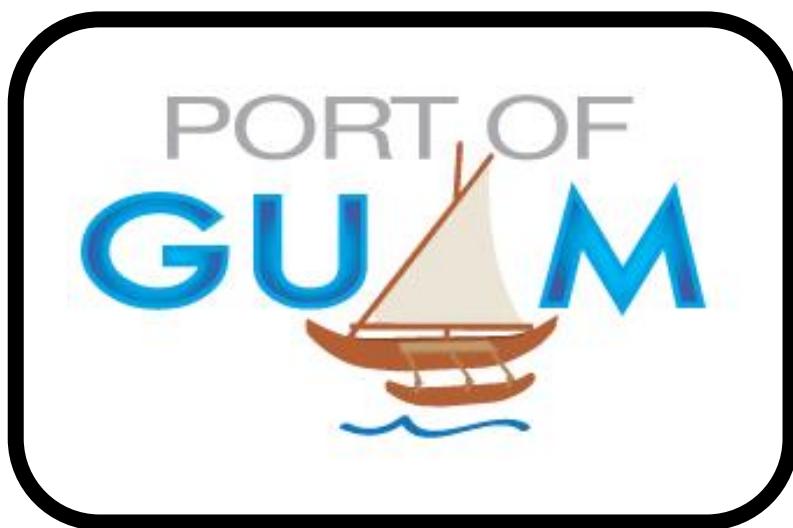

CONCLUSION

Based on the plan revenues and expenses in FY 2020, the estimated outcome for operating income is \$1.1 million and a net income of \$2.8 million after adding non-operating income of \$1.7 million. The overall projected net income for FY 2020 is estimated at \$5.2 million after including income from Crane Surcharge and Facility Maintenance Fee.

Despite the challenging realities in the Port's operations, the Port's management is confident that the plans outlined in the FY 2020 budget will help the Port to remain financially strong, competitive and successful.
