Port Authority of Guam
Performance Management Contract for the Management of Cargo Terminal
Operations and Maintenance of Cargo Handling Equipment

This ad was paid for with Port Authority of Guam Funds

The Jose D. Leon Guerrero Commercial Port of Guam (Port), a Government of Guam entity, moves more than 90% of the day-to-day goods consumed by the population of Guam, the U.S. military bases on Guam and the Micronesia region. The Port has begun a \$200 Million modernization of its facilities to address anticipated increase in cargo due to a major military base expansion and increases to Guam's population.

The Port seeks to select a qualified firm licensed to conduct business on Guam to enter into a Performance Management Contract for the management of cargo terminal operations and maintenance of cargo handling equipment. The Port plans to issue a Request for Proposal in the near future. Parties with demonstrated experience in the operation of container and breakbulk terminals that are interested in receiving the RFP are invited to contact:
