MEMORANDUM

TO: All Port Employees
Port Tenants and Shipping Agents

FROM: Acting General Manager

SUBJECT: Low Water Pressure

This is to inform all Port Authority of Guam Employees, Tenants and shipping Agents that the Cabras Island area is experiencing low water pressure due to a water line break located before the main water meter along Route 11.

The Route 11 contractor along with Port Commercial Division has notified the Guam Waterworks Authority of the water line break and we are currently awaiting GWA's response to repair the line.

Thank-You for your patience and understanding.
