## MINUTES OF THE REGULAR MEETING OF THE BOARD OF DIRECTORS Wednesday, June 26, 2019

## I. CALL TO ORDER

There being a quorum, the regular meeting of the Board of Directors was called to order at 3:00 p.m., Wednesday, June 26, 2019. Present at the meeting were:

Francisco G. Santos, Chairman
Nathan T. Taimanglo, Vice Chairman – Telephonic Participation
Isa Marie C. Koki, Board Secretary
Maria D.R. Taitano, Member
Anthony P. Chargualaf, Member
Rory J. Respicio, General Manager
Dominic G. Muna, Deputy General Manager, Operations
Connie Jo Shinohara, Deputy General Manager, Admin/Finance

Also present was Senator Clynt Ridgell's office-Mike Carlson; Guam Shipyard-Selena Ashland; Daily Post-Kevin Kerrigan; GFD-Daniel Stone, Kevin Riley; and Port Staff.

### II. APPROVAL OF MINUTES

a. May 16, 2019 – Regular Board Meeting: Director Taitano made motion to approve the minutes of May 16, 2019 subject to correction. The motion was seconded by Director Chargualaf and was unanimously passed.

### III. PUBLIC COMMENTS

- a. **Public Comments:** None.
- b. **Employee Comments:** None.
- c. **PAGGMA Association:** PAGGMA President Raymond B. Santos announced that the Port's Liberation Queen candidate placed 6<sup>th</sup> out of 8 contestants and will represent the Port Authority as one of the Princesses for the Liberation. The Port will work on its float for the Liberation Parade July 21<sup>st</sup> and welcomes the Board members, friends and family to join the Port at its tent at the Hagatna Marina.

At this time, the Chairman recognized the presence of Board Vice Chairman Nathan Taimanglo who is participating in the meeting proceedings through telephonic participation.

### IV. GENERAL MANAGER'S REPORT

(deferred to Old/New Business Items)

The General Manager reported on the following:

- 1. **Reappointment of Port Board of Directors.** Board Chairman Francisco G. Santos and Vice Chairman Nathan T. Taimanglo term expires on June 30, 2019. On June 21, 2019, Governor Lou Leon Guerrero had advised Port management of her desire to reappoint both the Chairman and Vice Chairman to serve another three year term on the Port Authority Board of Directors. The term of reappointment would be from July 1, 2019 thru June 30, 2022.
- 2. **Port Tour Senator Clynt Ridgell.** The Port Users Group had arranged a Boat Tour for Senator Ridgell this morning; thereafter Port management had an opportunity to take Senator Ridgell on a port tour of the terminal yard and port operations. During the port tour, Senator Ridgell was informed about the plans on the crane acquisition/demolition, bond projects as well as the bond reset initiative as outlined in Bill No. 149-35.
- 3. **MOU: PAG & USCG.** The Port entered into a memorandum of understanding with US Coast Guard regarding ports, waterways, and coastal security. The purpose of this agreement is to set forth the framework and procedures by which both parties will work together to enhance the safety and security of the waters of concurrent jurisdiction.
- 4. **Port Modernization Plan.** Senator Clynt Ridgell introduced Bill No. 149-35 to amend Public Law 34-70. This bill reprograms the \$17.5 million originally intended for a new PAG Admin Building to \$10.5 million and redirects the remaining \$7 million for improvements to shore up the water front revenue generating facilities, create connectivity of a fuel line from Golf Pier to F1, and improve the Port's financial management and terminal operating systems. A public hearing on this bill is scheduled for July 5, 2019.
- 5. **Port Staff Attorney.** The job announcement for this position was published on June 10, 2019 as an unclassified position. Deadline of application submission was June 21, 2019. Applications are being reviewed by the Human Resources division and the Port anticipates the hiring of this position by next month or sooner. In the meantime, Port management met with the Attorney General's (AG) office Deputy Attorney General Karl Espaldon and Deputy Attorney General Shannon Taitano and they had expressed that the AG's office will provide legal representation and services to the Port where needed until such time the Port has a legal counsel in place. Director Taitano asked whether there is a written agreement from the AG's office providing legal assistance to the Port. The General Manager replied by way of an email correspondence, but nothing formally written. He said no one in particular is assigned to the Port, but rather on a rotational basis. For instance, Assistant Attorney General Robert Weinberg provided assistance to the Port at a recent Civil Service Commission (CSC) hearing. He mentioned that the in-house counsel once on board will handle the CSC cases, and all routine matters.

Director Taitano asked the status of the RFP for specialized legal services. The General Manager replied that the bid solicitation package is still under review by the Attorney General's office. Director Taitano expressed concern about legal representation for the Port on its existing cases and recalled that at the previous meeting management was to look into whether former counsel is able to continue to represent the Port on existing cases. Mrs. Connie Jo Shinohara, Deputy General Manager of Admin/Finance (DGMA) replied that in consultation with the Attorney General's office, the legal contract with former Port counsel does not allow for legal representation beyond the contractual term, which in this case expired June 17, 2019. She said as the contract has expired, former Port counsel would have to go through the bidding process like all other interested bidders once the RFP for specialized legal services procurement package is ready for issuance. As to the recent CSC case, the Port had requested CSC for a 30-day continuance that would allow for a transition between former Port counsel and the Port's new inhouse counsel which was granted. A request for continuance would be done for all other CSC cases. The Attorney General's office also requested for all of CSC Port files, but former Port counsel has yet to submit those files. Director Chargualaf asked whether management anticipates acquiring the in-house counsel within 30 days. The DGMA replied positively, and mentioned that the Human Resources division is scheduling interviews for more than one applicant.

## 6. Bid Solicitation Updates:

- **Professional Legal Services.** As reported earlier, the bid solicitation package is currently being reviewed by the Attorney General's office.
- **F1 Management.** The Port responded to a protest that was made on the F1 Management bid procurement indicating that it was determined to be without merit. If the protestor is dissatisfied, the protestor has 15 days to appeal before the Office of Public Auditor.
- A&E Design/Consulting Services Structural Repairs of Golf Pier. The Port is currently in cost negotiations with the bidder.
- A&E Design/Consulting Services for WH1, EQMR Building Upgrade & Waterline Replacement. The Port is currently in cost negotiations with the bidder.
- 7. **ATOSSCOM 46<sup>th</sup> Annual Conference.** The steering committee is fine tuning the planning and logistics for the ATOSSCOM annual conference which is scheduled for July 31 August 2, 2019.
- 8. **Port Users Group Meeting.** A meeting of the Port Users Group was held this morning. One of the items discussed was the Guam Shipyard (GSY) matter through legislative solution that the Port is looking into which was approved by the Board. The issue is that GSY owes the Port money which is currently in civil litigation and the idea is that in lieu of payment that GSY provide in-kind services to the Port which is to remove the two old gantry cranes (G2 and G3) and to remove the old barge at F6.

## 9. Federal Grant Opportunities.

- Office of Economic Adjustment. Management is looking into grant opportunities through the Office of Economic Adjustment to update the Port's Master Plan and providing assistance to Customs and Quarantine on its Inspection Facility.
- MARAD Grant. There is currently a \$290 million grant that is available through the Maritime Administration. The Port is looking into submitting an application for the possibility of acquiring two gantry cranes.

## V. OLD BUSINESS

There were no old business discussed.

## VI. NEW BUSINESS

1. **Union Contract – Collective Bargaining Agreement:** The General Manager read the following:

"Hafa Adai! We are pleased to submit for your review and disposition the Collective Bargaining Agreement (CBA) developed pursuant to the Board's motion in their regular meeting of March 29, 2019.

On November of 2012, the former Board of Directors approved the collective bargaining unit agreement as negotiated between the Guam Federation of Teachers and Jose D. Leon Guerrero Commercial Port. The agreement had stalled because of the lack of authorized signatories in order for the union and the Port to implement the provisions of the agreement.

In the Leon Guerrero-Tenorio transition report, one of the priorities and recommendations identified is Employee Issues. The report stated that "Mutual trust and greater understanding between management and employees would need to be built and created. The key elements in any organization's operation is cooperation and not confrontation between management and employees. Port employees have expressed the desire for the following:

- a. improved communication;
- b. management awareness of employee job-related concerns;
- c. personal growth and development;
- d. enhanced decision making skills;
- e. increased individual power;
- f. improved motivation; and
- g. opportunities for recognition of individual improvement."

The recommendation to assist in accomplishing this priority was for the Port to invite the Guam Federation of Teachers to return to the negotiation table to augment the current agreement provisions to improve the work life of the employees.

On February 12, 2019, the Board of Directors adopted the ground rules between the Guam Federation of Teachers and Jose D. Leon Guerrero Commercial Port. Negotiations began on February 28, 2019 wherein an agreement by the negotiating team was reached on April 18, 2019. Once the agreement was formed, the negotiation teams spent the remaining days fine tuning the agreement. The agreement also included a thorough legal review, which the former Port Legal Counsel, had approved to form. Thereafter, the agreement was signed by the members of the negotiating committee on June 6, 2019.

At the outset of these negotiations, our guiding principles centered around an agreement which is consistent with the rule of law, fairness, transparency, and a structure which promotes a healthy employee/management relationship. This agreement, not only reflected these guiding principles, but also addressed the desires of the employees outlined in the transition report and as reiterated above. Furthermore, the agreement was negotiated with the mindset that the outcome must be beneficial for all of our Port employees, and not only for Port employees who are members of the Guam Federation of Teachers.

The most significant aspect of the agreement is the scheduling of shift workers under Section 4.B., Operations Personnel/Shift Workers. The agreement defined the workweek of the Operations and Maintenance employees who are involved in cargo operations. It was further agreed that when no vessel operations are in port, the employees' workday shall consist of 8 hours. It restated as written in the Personnel Rules and Regulations the workweek schedule shall be prepared and posted at least 2 weeks in advance and changes to such schedule can only be made for good cause and notification of such changes must be given to the employees at least 24 hours.

The agreement promotes a greater sense of community spirit. Under Section 4.A.1, Good Housekeeping, Page 6, provides when there is no vessel in Port and the terminal yard is secured and on normal operations, these employees will participate in clean-up efforts at Port Beach, Family Beach, other Port property, as well as, other government properties in the surrounding areas.

The agreement provides fairness and equality amongst the workers. Under Article IV of the agreement, for all Port training programs, it was agreed that seniority shall be a deciding factor in participation of such programs. Employees will be given an equal opportunity to work weekends and holidays and a volunteer list will be established for employees to sign up for weekend or holiday work in order for the Port to secure a sufficient number of manpower requirements for vessel operations in the event of a shortage.

The agreement provides a foundation in establishing mutual trust and understanding between management and the employees. Under Section 2.F., Meetings, the Port agreed to meet on a quarterly basis with the union representatives to discuss

matters on how the Port and Union can better work together to help further the mission of the Port and to serve the people of Guam. The agreement also allows the Port to include in its new employee orientation package informational material regarding the union and its membership.

The agreement strengthened a health employee/management relationship. Under Article 5, Health and Safety Provisions, it was agreed that the Port will work with Department of Labor in identifying those employees who may qualify for pay differential under certain hazardous work conditions. Additionally, subject to the procurement regulations, the Port is to contract services of a certified environmental company specializing in hazardous and environmental working conditions in the event that Guam Occupational Safety & Health Administrator is unable to act on the Port's request for an inspection and investigation of any existing hazardous conditions.

In addition to these significant highlights, Mr. Chairman, and members of the Board, thank you for your continued support for our Port employees.

Upon approval of the agreement by the Board, the agreement is to be transmitted to the Attorney General for his approval as to form and legality and to the Governor of Guam for her approval in accordance with Title 2, Guam Administrative Rules and Regulations.

We are especially encouraged by your resolve to ensure that our actions are employeecentered. We look forward to your expeditious review and approval of this agreement."

The General Manager made the recommendation for the Board members to take the time to review the CBA to be entertained at the next Board meeting.

Director Chargualaf inquired as to the practice of training programs where it is being agreed upon for 'the seniority shall be a deciding factor in participation of such programs'. The DGMA understands that trainings are provided to employees where consideration is not necessarily made to seniorities, where applicable. Director Chargualaf asked management to clarify the work schedule. The General Manager said when there is a vessel in port, operation employees work the shift until completion. When there is no vessel in port, operation employees work an 8 hour shift, Monday thru Friday. So in essence, there is a set schedule that is posted two weeks in advance and if the employee wishes to work above and beyond their work schedule, they would place their names on a volunteer list. However, if an employee is not listed on a volunteer list, the General Manager has the authority after having exhausted every effort, to assign personnel to work. This will ensure the gang shifts are covered in order to discharge a vessel without disruption. The DGMA mentioned that this new schedule took effect on June 9, 2019 as a trial run and so far is working well. Director Taitano asked about the 40 hours per week issue on overtime. The General Manager replied that there is a Supreme Court ruling that ruled overtime begins after the employee works their 40 hours. He mentioned that historically members of the GFT union believed that if an employee worked their 8 hours, and at the 9th hour, overtime is recorded, which is incorrect. The General Manager said throughout the negotiating process, the employees understand that the Port is only obligated to provide for their

40 hours and that the Port is not obligated to give them overtime. The DGMA said a financial impact on the new schedule will be provided to the Board. The General Manager made note that no matter what the fiscal impact entails, management is following the Personnel Rules and Regulations. He shared that the labor cost is recoverable under the tariff. Director Chargualaf referenced the 'opportunities for recognition of individual improvement' and understands that the evaluation form currently being used by the Port is not necessarily the performance management tool for the 'pay for performance' under the Port's Compensation and Classification Plan. He said under this plan, there should be 'key performance indicators' in place so the employee is aware of what is expected in their performance. The DGMA acknowledged that the old form is being utilized for purposes of rating; however, each position has a different criteria as outlined in their respective job description. Director Chargualaf understands from the Human Resources division that the new form has yet to be established or implemented. He expressed that this raises some concern that if an employee is performing that far exceeds others prevents that employee from properly being recognized because the appropriate performance evaluation form is not being utilized. The Chairman commented that there are different job requirements and expectations of the employee based on their job description and it is their supervisor that has to justify and evaluate how well they perform in their respective positions.

At this time, the members recognized the presence of Mr. David Teixeira, GFT Union Chief Negotiator. Mr. Teixeira thanked the members and mentioned that the union negotiating team had an opportunity to work with the Port's negotiating team. As a result, all matters discussed during negotiations and agreed upon are in accordance with the Port's Personnel Rules and Regulations. In reference to the points raised by Director Chargualaf on the 'key performance indicators' under the Alan Searle Compensation Plan, he mentioned that the Port continues to use the old evaluation forms that is used for the Hay Plan of the government of Guam and does not believe the Port has implemented the new methodology of the performance management tool. Mr. Teixeira pointed out that this is an area that should be improved. With regard to the collective bargaining unit, he requested for the Board to take the time to review the agreement and expressed that the articles contained in the agreement is within the scope of law, and what the employees are entitled to under government law, nothing more, nothing less. As to the funding for overtime, he said those funds are built into the vessel labor cost that is funded through the shipping companies which means it is at no cost to the Port. Mr. Teixeira concluded that the contract also provides for safety procedures, different methods on building morale, establishing a better working relationship with existing management and that hopefully the GFT union members and the Port Authority move towards a positive direction. The Chairman thanked Mr. Teixeira and assured him that the policy of this Board and Management is to take care of the port employees no matter whether they are in the union or not. Director Chargualaf asked to elaborate on the article with respect to the health and safety provisions. Mr. Teixeira mentioned that the Port's Personnel Rules and Regulations allows for hazardous pay and identifies the different type of hazards employees are to be compensated for when exposed to that environmental conditions; however, there are certain hazardous pay that is not being applied when it should be. The article establishes a safety joint committee between the union and port management in cooperation with the Guam Occupational Safety and Health Administration that will properly identify the different types of hazardous working conditions at the Port. The DGMA added that the Port will also contract professional services that specializes in hazardous and environmental working conditions.

With no further inquiries made at this time and without objections, the Board members were to further digest the collective bargaining agreement between the Port Authority of Guam and the GFT union members to be addressed further at the next Board meeting.

## 2. Resolution No. 2019-06 – Union Contact-Collective Bargaining Agreement:

Tabled, until the next meeting.

Without objections and at this time, the members agreed to entertain item 5. MOU-Agat Marina Rescue Base 2 as the Guam Fire Department representatives were present.

5. MOU-Agat Marina Rescue Base 2: The General Manager requested for Board action to approve the Memorandum of Understanding (MOU) between the Port Authority and the Guam Fire Department (GFD). He said GFD had requested to continue utilizing portion of the Agat Small Boat Marina Administration Annex to house and support the operation for Rescue Base Station. The General Manager pointed out that the Port and GFD has a long standing relationship for the shared use of the facility and the MOU is an instrument that will formally document the terms that is to guide the relationship forward between the parties. He said both parties recognize the importance of GFD's presence and functional capability at the marina and their role for life saving and protection of property. Additionally, both Port and GFD have the desire to work together to address any further deterioration of the building as well as to afford GFD with the administrative standing necessary to effect the spend on the expected repair and upkeep of the facility. The General Manager made note that the Port will still have full access and use of the portion of the facility for its purpose, such as in the capacity as a Port Marina Manager or Port Police, etc.

At this time and without objection, the Board recognized the presence of Chief Daniel Stone, Guam Fire Department. Chief Stone thanked the members and recognized the Port management team for their excellence and for being very cooperative in affording GFD with administrative standing and an opportunity to make renovation to the existing facility that will best suit the needs of the Agat Marina Rescue Base Station. He expressed that this effort has been in the making for over several years now and finally an MOU has been prepared that outlines the relationship between both parties and is now being presented to this Board for consideration.

Director Chargualaf made motion to approve the Memorandum of Understanding between the Port Authority of Guam and the Guam Fire Department in reference to the Agat Marina Rescue Base 2, seconded by Director Taitano. Motion was unanimously approved.

- 3. **FY2019 Mid-Year Budget:** The General Manager presented the following highlights of the FY2019 mid-year budget:
  - FY2019 approved budget and Resolution No. 2018-05 Compensation Plan the budget and compensation plan were approved by the Board at its meeting of August 28, 2018; however, the compensation plan was not budgeted.
  - <u>Typhoons (Yutu and Wutip)</u> there were typhoons that caused the Port unanticipated expenses with port salaries, overtime, supplies and other related expenses.
  - OSHA Crane Certification Inspection a crane certification inspection caused an increase in the Maintenance division's operational cost that occurred in the second quarter of the fiscal year.
  - <u>2018 Port Bond</u> one of the conditions in the 2018 Port bond indenture was to use the agency's approved budget as the basis of the bond trustee for its monthly deposit to fund the Port's operational cost.

He said as a result there exist a disparity of about \$2 million from what was originally approved by the Board to the actual expenditure of the Port. Management was able to make adjustments on certain line item expense and increase those budgets that were trending higher than its approved budget and decreased line item expenses based on its current status. These adjustments were necessary to keep within the original approved fiscal year budget of \$46,437,114. These adjustments include:

- Freeze hiring for certain positions this fiscal year and reduce budget of vacant positions o the last 3 months of the fiscal year. This resulted to a decrease of \$1.9M, from \$2.4M to \$438K.
- Agency and management fees were reduced by \$350K, from \$1.1M to \$700K.
- Budget for demolition expense was reduced to \$350K, from \$350K to zero. Since this transaction will not materialize in FY2019, the budget was adjusted.
- Reduce budget for professional services by \$140K. The Port is currently working with the Office of the Attorney General on the RFP for legal services, it may take around two months before an outside legal counsel can be of service. This will result into some savings on legal expenses.
- Budget for Workman's Compensation Insurance and Environmental Compliance were retained at \$150K and \$200K respectively. There were request to increase these line items in the mid-year. Based on the tracking of the current expense and the proposed additional expenses, the original budget is sufficient.

After some discussion, Director Taitano asked that this item be tabled to provide time for the members an opportunity to digest the mid-year budget. The Chairman proposed to hold a special meeting on July 9, 2019 to address this specific item. The members had no objections.

Moving forward, management was directed to have the Board packets readily available to the members at least a week in advance prior to its scheduled meeting where practical as there may be items on the agenda that would require more time for Board review. Without objections, Director Taitano expressed her concern about the absence of a legal counsel during Board meeting proceedings. The General Manager replied that there is no requirement for legal representation at a Board meeting proceeding. He assured Director Taitano that in the event there are questions of legal concern, that the Attorney General's office is readily available. Also, he understands that the Port Board in the past have conducted meetings absent counsel. The General Manager said although it may be a matter of comfort for counsel presence, legal representation is not a requirement in holding a Board meeting.

4. **Procurement Continuing Contracts:** The General Manager mentioned that the General Services Agency (GSA) issued Circular No. 2019-004 to all government agency heads regarding the fiscal year end 2019 requisition close-out for continuing contract entries which is scheduled on September 10, 2019. Board approval is being requested to authorize management to proceed with entering requisition for continuing contracts in order to procure the services and ensure there is no disruption to port operations. Continuing contracts includes, but not limited to – copier lease, solid waste disposal, water bottle delivery/service, diesel fuel, insurance renewal, workers compensation insurance, vehicle tracking, telecommunications, electronic communications, communications and technology, badge and security access control systems, maintenance support services, series solution service renewal, and postage meter.

Director Taitano made motion to authorize management to proceed with entering requisitions for continuing contracts in order to procure services and ensure there is no disruption to port operations. Motion was seconded by Director Koki and was unanimously approved.

6. **Formulation of Board Working Committees:** In an effort to cure Board review on certain items on the agenda prior to a Board meeting and as guided by former Port counsel, the General Manager proposed for the Board to introduce a motion to provide the Board Chairman unilateral authority to establish Board working committees when necessary. For example, Committee on Crane Acquisition, Committee on Fiscal Concerns, and so forth, from time to time when there is a request made by a Board member. In establishing the Board Working Committees will allow the ability for the Board to meet and still be in compliant with the Open Government Law.

Director Koki made motion to authorize the Board Chairman with unilateral authority to establish Board Working Committees from time to time as the Port Authority Board of Directors sees fit. Motion was seconded by Director Taitano and was unanimously approved.

7. **DOA Circular No. 2019-019 Telecommunication and Internet Services:** The DGMA mentioned that Department of Administration Circular No. 2019-19 provides that the emergency procurement declaration on the telecommunication and internet services has not resulted in a successful procurement. As a result, processing of invoices for vendor payments are to be submitted to the Department of Administration's Appropriation Section. This process is necessary to ensure the essential communication services are not disconnected or disrupted. She said with respect to the Port Authority as an autonomous agency, Board approval is being request to authorize direct payments be made to its vendors that provide for the Port's

telecommunication and internet services. As indicated in the circular, this process will continue until advised by the General Services Agency (GSA) on direction forward.

Director Chargualaf made motion to authorize management to make payments to its vendors by way of direct payment for telecommunication and internet services. Motion was seconded by Director Koki and was unanimously approved.

## VII. ADJOURNMENT

There being no further business to discuss, it was moved by Director Chargualaf and seconded by Director Taitano to adjourn the meeting at 4:20 p.m. The motion was unanimously passed.

ISA MARIE C. KOKI, Board Secretary

Board of Directors

## MINUTES OF THE SPECIAL MEETING OF THE BOARD OF DIRECTORS Tuesday, July 9, 2019

### I. CALL TO ORDER

There being a quorum, the special meeting of the Board of Directors was called to order at 3:05 p.m., Tuesday, July 9, 2019. Present at the meeting were:

Francisco G. Santos, Chairman
Nathan T. Taimanglo, Vice Chairman
Isa Marie C. Koki, Board Secretary
Maria D.R. Taitano, Member
Rory J. Respicio, General Manager
Dominic G. Muna, Deputy General Manager, Operations
Connie Jo Shinohara, Deputy General Manager, Admin/Finance

Absent was Mr. Anthony P. Chargualaf, Board Member. Also present was Senator Clynt Ridgell's office-Mike Carlson; Daily Post-John O'Connor and Port Staff.

Before proceeding on with the agenda items, Director Taitano made motion to excuse Director Anthony Chargualaf from the meeting as he had other urgent matters to attend to, seconded by Director Koki. Motion was unanimously passed.

## II. NEW BUSINESS

- 1. **FY2019 Mid-Year Proposed Budget:** The General Manager presented the FY2019 Mid-Year proposed budget that identifies the financial results of up to \$2 million disparity of the agency during the first half of such fiscal year. The following provides:
  - Fiscal Year 2019 Approved Budget and Resolution No. 2018-05 Compensation Plan The FY 2019 proposed budget and Resolution No. 2018-05 Compensation plan were approved by the Board of Directors during their regular meeting on August 28, 2018. Although the proposed FY19 budget included the FY18 actual salaries and benefits for full time employees plus the projected pay increments of \$1.0 million, the financial impact of the proposed Compensation Plan was not calculated during the budget formation process.
  - Typhoons (Yutu and Wutip) During the first half of the fiscal year, there were two typhoons that affected the Port's financial results on typhoon related expenses. Due to the required expenditures during the preparation and post typhoon activities, the impact was an increased on Port's salaries, overtime, supplies and other related expenses.

- OSHA Crane Certification Inspection One of the main reasons why the Equipment Maintenance Division's operational costs increased was due to the OSHA Crane Certification inspection that occurred in the second quarter of the fiscal year. The maintenance division needed to work on repairs and maintenance of the cranes to assure the passing of the crane inspection.
- 2018 Port Bonds One of the conditions in the 2018 Port Bond indenture was to use the agency's approved budget as the basis of the Bond Trustee for its monthly deposit to fund the Port's operational cost. The agency needs to operate within approved original budget amount that was submitted to the trustee before the current fiscal year began.

As a result of the events and directives mentioned, the following are the financial impacts during the first half of the fiscal year:

- Overtime expenses is tracking at \$260 thousand above the approved budget of \$1.8 million
- Salaries and benefits is projected to be over budget by \$1.9 million.
- Actual typhoon expenses were recorded at \$200 thousand during the first part of the fiscal year. The Port's budget for Natural Emergency fund is at \$50 thousand.
- Some of Maintenance division's budget on supplies and equipment to fund Port operations have been exhausted due to the events discussed.

Description	FY19 Approved Budget	FY19 Antcpd EOY (May'19)	\$ Variance	% Variance
Salary & Benefits	27,103,122	28,959,491	-1,856,369	-7%
Overtime	1,823,642	2,081,930	-258,288	-14%

<sup>\*</sup> Approved budget for full-time employees salary and benefits are composed of FY18 annual salaries plus projected pay increments for FY19.

To assure that the agency operates within the total approved budget expenses, the following adjustments were done:

- Freeze hiring for certain positions this fiscal year and reduce budget of vacant positions to the last 3 months of the fiscal year. This resulted to a decrease of \$1.9 million, from \$2.4 million to \$438 thousand.
- Agency and Management fees were reduced by \$350 thousand, from \$1.1 million to \$700 thousand. Due to the reduction in the import of fuel for this fiscal year, the result was a corresponding decrease in this expense line item.
- Budget for demolition expense was reduced by \$350 thousand, from \$350 thousand to zero. Since this transaction will not materialize in FY 19, the budget was adjusted.
- Reduce budget for professional service by \$140 thousand. PAG currently working with Office of Attorney General on the RFP for Legal services, it may take around two months before an outside legal counsel can be of service. This will result into some savings on legal expenses.

 Budget for Workman's Compensation Insurance and Environmental Compliance were retained at \$150 thousand and \$200 thousand respectively. There were request to increase these line items in the mid-year. Based on the tracking of the current expense and the proposed additional expenses, the original budget is sufficient.

After the adjustments on the mid-year budget to increase certain line item expenses that are trending higher than the approved budget and decrease line item expenses based on the current statuses, the total expenses for the mid-year equals the original amount in the FY 19 Approved Budget, which is \$46,437,114.

He mentioned that based on the budget findings, it was realized that the 2018 Compensation Plan was not budgeted. He had then tasked Mrs. Connie Jo Shinohara, Deputy General Manager of Admin/Finance (DGMA) through a memo dated June 27, 2019, to conduct an internal audit in how the 2018 Compensation and Classification Plan was presented to the Board when it was adopted then as compared to the 2009 Classification and Compensation Plan adoption. The General Manager said the memo is provided to the Board for their reference. He expressed this to be a significant finding for the Board to be aware of for reasons that come time for management to present the Fiscal Year 2020 budget, the true accounting or calculation in personnel would be reflected.

Director Taitano noticed that the staff attorney position is located under the Maintenance/Janitorial section. The DGMA replied that the staff attorney position is listed under the Maintenance/Janitorial to show that that is where the funding source to support such position will be coming from for the remaining fiscal year (August and September). She said the staff attorney position will be placed under the division of the General Manager. The General Manager added that in acquiring the staff attorney personnel would not change the bottom line of the Port's budget.

Director Koki asked when will the FY2020 budget be presented to the Board. The DGMA replied next month. She said the budget timeline provides a working session for the Board members for their review. The Board advised management that for Board review to follow the same format and processes done for the FY2019 mid-year budget review.

For information, the General Manager mentioned that because the salaries and benefits compensation plan total impact was captured in the FY2019 mid-year budget, it is anticipated that the \$260K in overtime expense will increase because the new salaries would be considered and reflected accordingly.

As the matter relates, the DGMA mentioned that back in September 26, 2018, the Board had approved the amended salary increment range as recommended by its Compensation Consultant Alan Searle. She understands that the compensation model was introduced at a wider salary performance range for increments which was 'zero to 6%; however, the Board at its meeting of September 26, 2018 approved the salary increment range and reduced it to reflect 'zero to 3%'. The DGMA mentioned that based on the research of Mr. Searle, the rationale was that originally the range from 'zero to 6% was so that high performing employees would be

awarded accordingly; but based on the market research, over time the extended range became the norm, and the benefits of having a wider salary performance range for increments of 'zero to 6%' became ineffective. She mentioned that the approved amendment impacted the Personnel Rules and Regulations – Rules 6.302 and Rule 7.008. And in order to have this amendment implemented, a transparency process for employee/public review and comment is required. The Board advised management to proceed with the next step in the process.

As noted in the FY2019 mid-year budget, Director Taitano asked management to explain the options in reference to the increment freeze and retro-active pay. The DGMA explained that the former Governor implemented a hiring freeze and increment freeze for FY2019 which was adopted by past Port management. As a result of the Governor's directive, the salary increment for the employees for this fiscal year was not budgeted, and when the Board approved the migration back in August 28, 2018, it reset the port employee's anniversary date which is now September 16. She said in adhering to the former Governor's directive to freeze increments for FY2019, the employees will then be paid their increment in FY2020 for their anniversary date of September 16, 2019. The General Manager said it is not necessarily retro-active pay, but rather a charge against the FY2020 budget to pay for a FY2019 expense. While prior management took it upon themselves to apply the increment freeze, the Board members were more in favor of paying the increments this fiscal year which would be more appropriate rather than having to obligate funds from FY2020 budget to pay an expense of a previous fiscal year.

Without further discussion, Director Taitano made motion to approve the FY2019 Mid-Year Proposed Budget, subject to placing the staff attorney position under the division of the General Manager's office, seconded by Director Koki. Motion was unanimously approved.

### III. ADJOURNMENT

There being no further business to discuss, it was moved by Director Koki and seconded by the Vice Chairman to adjourn the meeting at 3:30 p.m. The motion was unanimously passed.

ISA MARIE C. KOKI, Board Secretary

## FINANCE-YTD - June 2019

Financial Highlights

**Income Statement** 

**Balance Sheet** 

Accounts Receivable Aging Summary Report

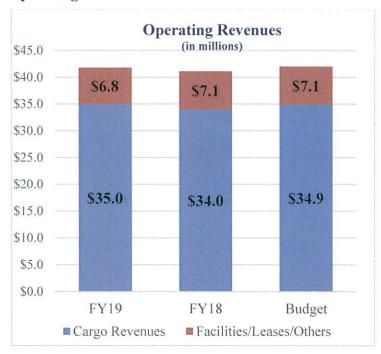

**Accounts Payable Summary** 

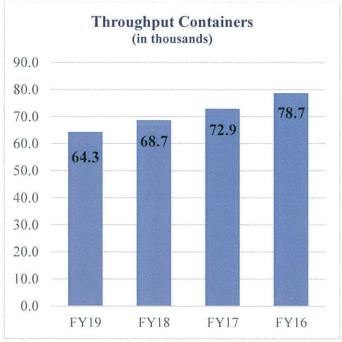

**Budget Lift/Transfer Monthly Activities** 

Crane Surcharge Income Statement

## Financial Highlights – YTD June FY2019

## **Operating Performance:**

## REVENUES AND CARGO THROUGHPUT:

Total Operating Revenues as of June 2019 was \$41.8 million, which consist of \$35.0 million in cargo revenues and \$6.8 million in Facilities, Leases, and Other Services.

FY19 YTD cargo revenues is 3% higher than last year's total (\$34.0 mil) and 0.1% higher than Budget (\$34.9 mil).

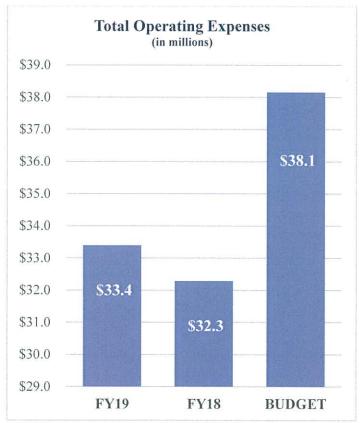

FY19 YTD Facilities, Leases, and Other Services is 4% lower than last year's total (\$7.1 mil) and 3% lower than budget (\$7.0 mil).

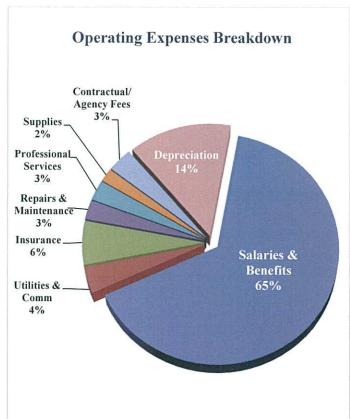

Overall Operating Revenues as of June is 0.4% lower than Budget (\$42.0 mil) and 2% higher than last year's year to date June (\$41.1 mil).

Total number of containers handled as of June 2019 was 64,281 which is 6% lower compared to last year June 2018 total. Compared to June of FY16 the number of containers handled decreased by 18%.

## **OPERATING EXPENSES:**

Total Operating Expenses as of June 2018 was \$33.4 million, which is 12% lower than Budget (\$38.1 mil) and 3% higher than last year's total operating expenses (\$32.2 mil). For the 9 months of FY19, expenses over a million are: Salaries - \$15.5, Benefits & Other Personnel Costs - \$6.3, General Insurance - \$2.0, Utilities - \$1.1 and Depreciation \$4.7.

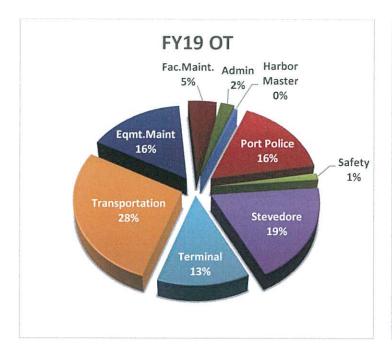

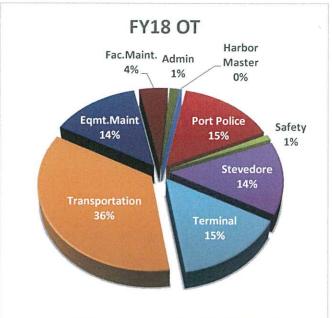

## **OVERTIME EXPENSE AND DIRECT LABOR REVENUE:**

Total Overtime as of June was \$1.4 million which is 12% higher than last year June (\$1.3 mil). Direct Labor Revenue as of June was \$2.6 mil, which is 6% lower than last year and 9% lower than budget. Direct Labor charges are for services performed by the Port outside of the cargo throughput charge and special services to customers.

Below is the breakdown of overtime for each division/section for FY19 and FY18 as of June:

Section	FY19	FY18	Budget	DL Revenue
Harbor Master	7,578	4,262	5,247	99,552
Port Police	230,129	188,714	225,000	100,236

## PORT AUTHORITY OF GUAM Budget Transactions

In the January 31, 2013 board meeting, Acting General Manager requested authorization from the Board of Directors to allow management to lift quarterly budget and be able to transfer money within divisions budget to give them the flexibility to manage their division. The Board of Directors approved the above request provided that the request be documented and that the Board be informed. Therefore, below are the current transactions.

### **FY-19 WORK INJURY REPORT**

(01/01/19 to 12/31/19)

<b>Divisions</b>	* <u>Lost-time</u>	**Recordable	*** Refused Treatment
Stevedoring	2	0	0
Transportation	3	0	0
Terminal	0	0	0
EQMR	1	0	0
Others	0_	0	<u>0</u>
Total	6	0	0

Work Injury Summary for this reporting period: 7/19/2019

Total Injuries for FY-19 to date: 6-Injury

- 6-- Lost-time
- 0-Recordable
- 0- Refused Medical Attention

Last disabling work injury was on:

7/17/19

Number of days since last disabling work injury:

2-days

### Note: PAG best record was 222 days or 7 months w/o a disabling work injury

<sup>\*</sup>Lost-time = If an employee was injured on the job and medical doctor sent him/her home, his/her injury is considered a lost-time.

<sup>\*\*</sup>Recordable = If an employee was injured on the job and medical doctor treated him/her and released him/her back to work on the same day (Recordable because of medical charges).

<sup>\*\*\*</sup>Refused Medical Attention: Filed WC Forms 201 & 202 for record purposes only.

### **MEMORANDUM**

TO:

Board of Directors

FROM:

Rory J. Respicio, General Manager (my) (15)

SUBJECT:

Collective Bargaining Agreement between Jose D. Leon Guerrero Commercial

Port and Guam Federation of Teachers

Hafa Adai! We are pleased to submit for your review and disposition the Collective Bargaining Agreement (CBA) developed pursuant to the Board's motion in their regular meeting of March 29, 2019.

On November of 2012, the former Board of Directors approved the collective bargaining unit agreement as negotiated between the Guam Federation of Teachers and Jose D. Leon Guerrero Commercial Port. The agreement had stalled because of the lack of authorized signatories in order for the union and the Port to implement the provisions of the agreement.

In the Leon Guerrero-Tenorio transition report, one of the priorities and recommendations identified is Employee Issues. The report stated that "Mutual trust and greater understanding between management and employees would need to be built and created. The key elements in any organization's operation is cooperation and not confrontation between management and employees. Port employees have expressed the desire for the following:

- a. improved communication;
- b. management awareness of employee job-related concerns;
- c. personal growth and development;
- d. enhanced decision making skills;
- e. increased individual power;
- f. improved motivation; and
- g. opportunities for recognition of individual improvement."

The recommendation to assist in accomplishing this priority was for the Port to invite the Guam Federation of Teachers to return to the negotiation table to augment the current agreement provisions to improve the work life of the employees.

Subject:

Collective Bargaining Agreement between Jose D. Leon Guerrero Commercial Port and Guam Federation of Teachers

Page 2

On February 12, 2019, the Board of Directors adopted the ground rules between the Guam Federation of Teachers and Jose D. Leon Guerrero Commercial Port. Negotiations began on February 28, 2019 wherein an agreement by the negotiating team was reached on April 18, 2019. Once the agreement was formed, the negotiation teams spent the remaining days fine tuning the agreement. The agreement also included a thorough legal review, which the former Port Legal Counsel, had approved to form. Thereafter, the agreement was signed by the members of the negotiating committee on June 6, 2019.

At the outset of these negotiations, our guiding principles centered around an agreement which is consistent with the rule of law, fairness, transparency, and a structure which promotes a healthy employee/management relationship. This agreement, not only reflected these guiding principles, but also addressed the desires of the employees outlined in the transition report and as reiterated above. Furthermore, the agreement was negotiated with the mindset that the outcome must be beneficial for all of our Port employees, and not only for Port employees who are members of the Guam Federation of Teachers.

The most significant aspect of the agreement is the scheduling of shift workers under Section 4.B., Operations Personnel/Shift Workers. The agreement defined the workweek of the Operations and Maintenance employees who are involved in cargo operations. It was further agreed that when no vessel operations are in port, the employees' workday shall consist of 8 hours. It restated as written in the Personnel Rules and Regulations the workweek schedule shall be prepared and posted at least 2 weeks in advance and changes to such schedule can only be made for good cause and notification of such changes must be given to the employees at least 24 hours.

The agreement promotes a greater sense of community spirit. Under Section 4.A.1, Good Housekeeping, Page 6, provides when there is no vessel in Port and the terminal yard is secured and on normal operations, these employees will participate in clean-up efforts at Port Beach, Family Beach, other Port property, as well as, other government properties in the surrounding areas.

The agreement provides fairness and equality amongst the workers. Under Article IV of the agreement, for all Port training programs, it was agreed that seniority shall be a deciding factor in participation of such programs. Employees will be given an equal opportunity to work weekends and holidays and a volunteer list will be established for employees to sign up for weekend or holiday work in order for the Port to secure a sufficient number of manpower requirements for vessel operations in the event of a shortage.

The agreement provides a foundation in establishing mutual trust and understanding between management and the employees. Under Section 2.F., Meetings, the Port agreed to meet on a quarterly basis with the union representatives to discuss matters on how the Port and Union can better work together to help further the mission of the Port and to serve the people of Guam. The agreement also allows the Port to include in its new employee orientation package informational material regarding the union and its membership.

Collective Bargaining Agreement between Jose D. Leon Guerrero Commercial

Port and Guam Federation of Teachers

Page 3

The agreement strengthened a health employee/management relationship. Under Article 5, Health and Safety Provisions, it was agreed that the Port will work with Department of Labor in identifying those employees who may qualify for pay differential under certain hazardous work conditions. Additionally, subject to the procurement regulations, the Port is to contract services of a certified environmental company specializing in hazardous and environmental working conditions in the event that Guam Occupational Safety & Health Administrator is unable to act on the Port's request for an inspection and investigation of any existing hazardous conditions.

In addition to these significant highlights, Mr. Chairman, and members of the Board, thank you for your continued support for our Port employees.

Upon approval of the agreement by the Board, the agreement is to be transmitted to the Attorney General for his approval as to form and legality and to the Governor of Guam for her approval in accordance with Title 2, Guam Administrative Rules and Regulations.

We are especially encouraged by your resolve to ensure that our actions are employee-centered. We look forward to your expeditious review and approval of this agreement.

Attachment

### **PREAMBLE**

The Jose D. Leon Guerrero Commercial Port Board of Directors, hereinafter referred to as the "Port," and the Guam Federation of Teachers, Local 1581, hereinafter referred to as the "Union," enter this Agreement in conformity with the Public Employee-Management Relations Act, Title IV, Chapter 10, Guam Code Annotated, and Title 2, Chapter 5, Guam Administrative Rules and Regulations, including the Rules and Regulations for the Port Operations and Maintenance Division Employees.

### ARTICLE I - RECOGNITION AND DEFINITIONS

The Port recognizes the Union as the exclusive Employee Representative for the GFT Bargaining Unit, subject to and in accordance with Public Employee Management Relations Act of Guam (Title 4, Chapter 10, GCA) and Jose D. Leon Guerrero Commercial Port Personnel Rules and Regulations (Title 12, Chapter 10, GCA) and those Rules and Regulations promulgated thereunder, for Operations and Maintenance Employees (fulltime or part-time status). Operations and Maintenance Employees include but are not limited to Stevedores, Winch Operators, Riggers, Cargo Checkers, Equipment Operators, Crane Operators, Mobile Equipment Dispatchers, Carpenters, Plumbers, Painters, Electricians, Refrigeration Mechanics, Heavy Equipment Mechanics, Crane Mechanics, Welders, and Preventive Maintenance Mechanics. The Employees filling these positions are members of the Bargaining Unit covered by this Agreement. Superintendents, Managerial and Unclassified employees are not members of the Bargaining Unit and this Agreement does not cover such Employees.

The Union agrees to represent equally and without prejudice all members of the Bargaining Unit for purpose of:

- 1. Consultations and/or negotiations with Port Management Officials concerning terms and conditions of their employment not otherwise fixed by law; and
- 2. The settlement of grievances and disputes.

### ARTICLE II – UNION RIGHTS

### WORKSITE VISITS, SUBJECT TO APPROVAL BY THE GENERAL MANAGER

The President of the Union or designated representatives, may visit member worksites to examine complaints pertaining to this Agreement, provided the representative(s) inform(s) the General Manager and Port Police Division, in writing

re A

prior to such visits and provides the purpose of the visit. These written requests for worksite visits shall be approved, subject to reasonable modifications by the General Manager, of the time and date for such visits. All Union visits shall be subject to any and all applicable statutes, rules, regulations, and procedures including but not limited to procedures of the Port Police, Port safety rules and federal or maritime security procedures. The Port herein guarantees that the Union shall have a minimum of one worksite visit per quarter.

### 2.B. BULLETIN BOARDS

The Union may provide a bulletin board up to three feet by three feet (3'x3') in size and protruding no more than one and one-half feet (1.5') in each break room where memberships are present of a recognized collective bargaining unit. The Union may use the bulletin board for the purpose of communicating normal and usual Union business to the membership subject to OSHA regulations regarding fire and walkway access. Specific placement of such boards within a station shall be subject to the approval of the Division Head; whose approval shall not be unreasonably withheld. The officially designated Union representative(s) at the worksite shall be responsible for maintaining such board. The bulletin board may be enclosed with a Plexiglas cover to prevent damage.

### 2.C. PRE-SHIFT OPERATIONAL MEETINGS

Management representatives shall conduct brief pre-shift operational meetings at or near the start of each shift. These meetings should not last more than a few minutes and should cover operational and safety matters. The designated Union representative may speak during such briefings and must limit any comments to one (1) minute.

### 2.D. NEW MEMBER ORIENTATION

The Union will provide informational material to the Port's Human Resources Division for distribution to Port employees. The Port's distribution of such material is subject to the Port's review and approval. The Port's approval will not be unreasonably withheld. Upon the Port's approval, the Port agrees to distribute the informational material to new Operations and Maintenance Employees upon his/her appointment. The informational material may include: (a) cover letter from the Union; (b) information about the Union history and structure; (c) membership information and application; (d) contact information of the Union officers and Union Port Stewards; and (e) information

Nº D

regarding Union meetings and events. The Port agrees to include this process as part of its employee orientation program.

### 2.E. UNION STEWARDS

The Port agrees to recognize at least one Union Steward per division, duly appointed by and acting as an agent of the Union. The duties of the Union Steward within the Port include receiving and investigating complaints and processing grievances in accordance with the terms of this Agreement and applicable laws, rules and regulations. The Union shall provide the Port with a written list of such Stewards and alternates, if any.

The Port shall permit one Union Steward per division to perform his/her duties as a Union Steward, with pay, for no more than eight (8) regular duty hours, during normal Port operations, per pay period and per occurrence. Such Union Steward duties must be approved in advance by the General Manager (which approval will not be unreasonably denied), for the purpose of handling and processing grievances. In the event the Steward is unable to utilize the allotted time within two consecutive pay periods, such balance zeros out and shall not carryover. The Human Resources division will be the timekeeper and keep track of the Union Steward's hours.

Stewards or their alternates shall obtain permission from their immediate supervisors before leaving their worksite to perform duties as a Steward (which approval will not be unreasonably denied). Upon resuming their normal duties the Steward or alternate shall notify their supervisor.

Management and Union Stewards shall maintain complete equal status while meeting to discuss any matter in order to facilitate and enhance the provision and exchange of free and open communications.

### 2.F. MEETINGS

The Port or Union may request a meeting with the other to discuss matters pertaining to this Agreement. A party shall respond to any such request for a meeting within seven (7) calendar days of receipt of such request. Such meeting shall occur within fourteen (14) calendar days of the response.

The Union President, the Union Chair of the Union's PAG Unit or the President's designated Union Representative shall have the right to meet with the Port's General

M D

Manager or designee(s) to discuss matters on how Management and Labor can better work together to help further the mission of the Port to serve the people of Guam. The Port General Manager shall have the same right to meet with these Union Officials or the designated Union representative for this purpose. All meetings shall occur during normal working hours (8:00 a.m. to 5:00 p.m.) Mondays through Fridays, excluding weekends and holidays, and shall occur within a reasonable amount of time from the time and date the request is received by either the General Manager or the Union.

During any meeting between Port management and the Union, each side will be allowed the same number of participants. At all times during contract negotiations or meetings between the Parties mandated in these sections, the Parties shall treat each other as equals notwithstanding their official titles and positions within the Port Authority of Guam. Said number shall be by mutual agreement at the time of scheduling but not less than two (2) per side. The failure of either side to provide the agreed upon number shall not delay or cancel the meeting and none of the members of the other side shall be required to leave. All meetings with Port Superintendents and/or Supervisors shall occur when Union members are on duty.

The Port and Union shall conduct mandatory quarterly meetings. The meeting schedule and said number of representatives on either side shall be consistent with Article 2.F.

The Port agrees to grant up to 2 (two) hours administrative leave for two (2) Employee Representatives (to be selected by the Union – likely their Union Chair will be one of them, at the Port) to attend PAG Board meetings. The Union shall provide the name(s) of the Union member(s) designated to attend the meeting at least forty-eight (48) hours, or more, prior to the scheduled PAG Board Meeting. The Port will designate a slot on the Agenda for Employee Participation where a designated Union Representative may speak and contribute at the PAG Board Meeting.

### <u>ARTICLE III – DUES AND MEMBERSHIP</u>

### 3.A. UNION DUES

The Union is recognized by the Port as the duly recognized Labor Organization for the within described Unit of Port Employees. The Union authorizes the Port to deduct Union dues from a Member's wages. The Union shall provide the Port with signed membership forms from each Member authorizing said dues deductions from the

> g Agreement 4 | Page

Member's wages. No later than the first day in September of each year, the Union shall provide the Port with the Union's Dues Scale for the fiscal year. The Port shall deduct the appropriate amount of Dues from the Union Members' pay checks and then transmit such Dues to the Union not later than seven (7) days after the relevant pay day.

The Port may charge the Union the actual cost of making Dues deductions, and if the Port elects to charge a cost it must provide the Union with justification of the actual cost within thirty (30) days on incurring such additional expenses. The Union, upon receipt of the Port's explanation of actual costs, must either dispute the billing or pay the charge within thirty (30) days of receiving the bill. If the Port passes on any cost associated with deducting Union Dues such charge shall not exceed two and one-half percent (2 ½%) of the total amount deducted.

### 3.B. UNION MEMBERSHIP LISTING

Management will provide the Union via email, in excel format, within thirty (30) days from the effective date of this Agreement and on the start of each fiscal year thereafter, an alphabetized list of employee names subject to this Agreement, position title, pay grade, stem and sub-step, mailing address, Union membership deduction and division and department.

### ARTICLE IV – DUTIES, ASSIGNMENTS, WORKING CONDITIONS AND COMPENSATION

### 4.A. ASSIGNMENTS, TRANSFERS and REASSIGNMENTS

Assignments, Transfers and Reassignments shall be consistent with the Personnel Rules and Regulations as passed by Public Law 30.43. To the extent the Port maintains discretion over Employee assignments, Port Employees (classified, unclassified, short term, or contract Employees) not covered by this Agreement shall not perform any work or operation normally performed by an Employee covered by this Agreement except in temporary cases of emergency. The Port may require Employees to perform functions relating to their scope of work and in support of their work role as long as the Employee is qualified to perform such work or it is part of a training program.

In all Port Training Programs, seniority shall be the deciding factor as to all such Port Employees eligible for such training. Similarly, as to all Port on-the-job training programs or opportunities, seniority shall entitle all Port Employees, entitled to such seniority status, the first opportunity to participate in such on-the-job training.

m &

The Port must assign all training opportunities, whether scheduled Training Programs, or On-The-Job Training opportunities, on the basis of Seniority. employees with the most seniority and in good standing at PAG shall be given such first preference, all other factors being equal.

Seniority for the purposes of this Agreement shall be calculated first on the number of years the Employee has worked with the Port, and in the event of a tie after this calculation, then the number of years the Employee has worked with the Government of Guam.

Employees who are directed to perform duties and responsibilities of another position due to abnormal workload or unanticipated absences will be entitled to Hazardous/Environmental Differential pay if the work they are performing is certified to be hazardous or physical hardship (environmental) duty.

For purposes of this section, the employee's immediate supervisor is required to indicate on the employee's time sheet, the date, time and the type of work the employee performed.

### 4.A.1 GOOD HOUSEKEEPING

The Union supports the Port's efforts of Good Housekeeping for all properties it owns and operates. The Port will schedule, during normal shift hours (day/night), members and non-members to clean designated properties. The Port will provide all the required equipment and materials to perform the cleanup.

Safety Personnel will brief employees prior to the start of the cleanup. Safety Personnel will have a sign-in sheet for the employees to sign in who attended the briefing. Safety Personnel will document the topics discussed.

The Parties acknowledge that worker's compensation covers participating employees.

### 4.B. **OPERATIONS PERSONNEL/SHIFT WORKERS**

To the extent permitted by the Personnel Rules and Regulations for Jose D. Leon Guerrero Commercial Port (as further interpreted in Port Transportation, Stevedore and Terminal Employees v. PAG, 2018 Guam 18):

The workweek of personnel directly involved in the loading and unloading of cargo is normally dependent upon vessel arrivals/departures. The workday of employees under this category normally consist of twelve (12) hour shifts during vessel operations. Normally, shift hours are from 0700 to 1900 hours, or 1900 to 0700 hours.

In the event there are no vessels in port, operation employees' workday shall consist of eight (8) hours, normally 0700 to 1600 hours for dayshift employees and 1900 to 0400 hours for night shift employees Monday through Friday in order to complete the scheduled forty (40) hour workweek. For Equipment and Facility Maintenance employees, when no vessel is in port, the employee's workday shall consist of eight (8) hours, normally 0800 to 1700 hours in order to complete the scheduled forty (40) hour workweek.

The schedule workweek for shift workers shall be prepared and prominently posted at least two (2) weeks in advance so that the employees affected will be adequately informed. Such workweek schedules shall not contain less than two (2) weeks and shall not be changed, except for good cause and provided affected employees are given at least 24 hours prior notice. Whenever possible, work schedules should permit an employee to enjoy a holiday on the day it is observed.

The Port will prominently post, at least two (2) weeks in advance, a monthly gang rotation so that the employees affected will be informed. The priority gang for each week of the month will be indicated on the Monthly Gang Rotation Posting.

Rotations from day to night shift and vice versa will be effectuated on a day of the week when no vessel is in port.

Notice of Divisional Employee Daily Work Assignments based on the Master Work Schedule will be posted Monday through Friday before 1500 hours so that employees are aware of any changes to their schedule for the next day.

The Port will utilize a priority gang rotation system so that all employees are provided an equal opportunity to work weekends and holidays. In addition, the Port will establish a Volunteer List at the start of each week for employees to sign up for weekend and holiday work in order to secure a sufficient number of workers to satisfy the Port's requirements for vessel operations in the event there is a shortage of manpower on the priority gang's rotation.

**7 |** Page

In the event there are insufficient volunteers from the Volunteer List to work the weekend or the holiday, the General Manager or his designee may require employees on the priority gang to report to work. The General Manager or his designee shall consider the reason for the employee's request for a day off and the need for the employee to report to work in order to meet the Port's operational requirements.

### 4.B.1. CANCELLATION & COMPLETION POLICY

CANCELLATION PAY: Whenever employees of the Port are assigned to work on a vessel and the work assignments are cancelled prior to the commencement of work, at the start of work, or prior to completion, such employees shall be compensated for cancellation of work.

### Α. Cancellation Time (Prior):

- If an employee has been properly notified of the cancellation of 1. work, four (4) hours or more prior to a scheduled operation, he/she shall not be eligible for cancellation pay.
- 2. However, if an employee has been notified of a cancellation of work less than four (4) hours prior to a scheduled operation, he/she shall be entitled to two (2) hours of cancellation pay.
- 3. Employees who were not notified and reported to work shall be compensated two (2) hours of cancellation pay provided the following are met:
  - a. The employee must sign the daily timesheet at the main gate.
  - b. The Supervisor/Leader shall certify that the employee was not properly notified by inserting the phrase "not notified" next to the employee's name and then initialing next to it.
- 4. Employees who were not notified and failed to report as assigned shall not be eligible for cancellation pay.

### Cancellation Time (During): В.

Whenever a cancellation notice is received at the start or during a 1. scheduled operation but actual operation has not started and work is

not performed, the employee should be assigned to perform other Port work.

- If this is not feasible, the employee released and compensated for: 2.
  - four (4) hours for four or less hours of stand-by time; a.
  - eight (8) hours of stand-by time in excess of four but less than b. eight.
- C. Cancellation Time (Completion):
  - 1. When the assignment is completed before the scheduled completion time, the employee shall be compensated for:
    - four (4) hours for four or less hours of work; or a.
    - b. eight (8) hours for work in excess of four but not more than eight.

If an employee is compensated under this category, a notation of Guaranteed **Shift Pay** is to be indicated on the timesheet.

### ARTICLE V - HEALTH & SAFETY PROVISIONS

5.A. The Union and the Port shall, within 30 days of the execution of this Collective Bargaining Agreement by the Governor of Guam, establish a Joint Committee in cooperation with the Guam Occupational Safety and Health Administration, under the Guam Department of Labor to identify those employees who may qualify for pay differential pursuant to the Port's Personnel Rules and Regulations Section 8.800 et, seq. under the Department of Administration's Hazardous/Environmental Pay Policy and Procedure.

Subject to the Guam Procurement Rules and Regulations, the Port will contract out for services from a certified Environmental Company specializing in Hazardous and Environmental working conditions at worksites in the event the Guam Occupational Safety & Health Administrator (GOSHA) is unavailable to act on the Port's request within a reasonable time for an inspection and investigation of any existing hazardous conditions at the Port.

### 5.B. PERSONAL PROTECTIVE EQUIPMENT

The Parties acknowledge their intent to return to negotiations to address the provision of Personal Protective Equipment. The Parties shall commence such negotiations in good faith within 120 days from the effective date of this Agreement.

### ARTICLE VI- MISCELLANEOUS PROVISIONS

### 6.A. BREAK AREAS

Subject to Title 10 of the Guam Code Annotated Chapter 90 also known as the Natasha Protection Act of 2005, the Port will provide three (3) "break" areas in Operations and one (1) in Maintenance where smoking is permitted. The Port agrees to locate these designated break areas within a safe and reasonable proximity to the Port employees' worksite. Any Notice of Violations issued by the United States Coast Guard Captain of the Port as a result of the designated smoking areas upkeep may result in the suspension or revocation of this privilege by the General Manager.

### 6.B. POSTING OF AGREEMENT

Copies of this Agreement shall be posted on both the Port and the Union web sites and on the Union bulletin boards within the Port.

### 6.C. EFFECTIVE DATES OF AGREEMENT

This Agreement is effective upon the approval and execution of all Parties listed below. This Agreement shall remain in effect until midnight five (5) years from the date of the last signature below ("initial term"). This Agreement shall be renewed automatically for an additional five (5) years unless one of the parties notifies the other, in writing, of its intent to terminate the Agreement at the expiration of the initial term. Should either party intend to terminate this Agreement as provided herein, such notice shall be given to the other party no later than 120 days prior to the expiration of the current term.

### 6.D. SEVERABILITY

If any of the provisions of this Agreement or the application of such provisions shall be found to be contrary to law, the validity of the remainder of the provisions or the validity of the application of such provisions shall not be affected thereby.

### 6.E. MODIFICATION OF AGREEMENT

This Agreement shall not be amended, modified, changed, altered or waived except by mutual agreement, in writing, executed by all the parties hereto. Either Party can request re-negotiation of a provision of the Agreement upon 60 days prior written notice. In the event of any such re-negotiation request, the terms and conditions of the current Rules of Negotiation shall apply except that the Parties may designate different Negotiation Teams.

### 7.F. ARBITRATION CLAUSE

In the event the Parties come to an impasse on any item covered by this Agreement, during its existence and any extension thereof, such impasse shall be settled through arbitration. Arbitration shall be Tripartite. Each Party shall select an arbitrator. The two selected arbitrators shall coordinate together, in good faith, to select a neutral third arbitrator. The arbitrators will determine the "rules of the arbitration "and thereby render their decision. The arbitrator's decision shall be binding on the parties, subject to Judicial Review if requested by either party. Each party shall be responsible for the fee of its own arbitrator. The fee of the third arbitrator shall be shared equally by GFT and the Port. Each Party shall be responsible for its attorneys fees.

**IN WITNESS WHEREOF**, the parties hereto, through their duly authorized representatives, hereby execute this Agreement on the date indicated below:

### BOARD OF DIRECTORS

Francisco G. Santos, Chairman Nathan T. Taimanglo, Vice Chairman Isa Marie C. Koki, Board Secretary Maria D.R. Taitano, Member Anthony P. Chargualaf, Member

### Resolution No. 2019-06

RELATIVE TO APPROVING THE COLLECTIVE BARGAINING AGREEMENT FOR OPERATIONS AND MAINTENANCE EMPLOYEES OF THE JOSE D. LEON GUERRERO COMMERCIAL PORT AND GUAM FEDERATION OF TEACHERS LOCAL 1581

### BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE JOSE D. LEON GUERRERO COMMERCIAL PORT:

WHEREAS, the Jose D. Leon Guerrero Commercial Port's bargaining team in good faith negotiated a fiveyear collective bargaining agreement ("Agreement") with the Guam Federation of Teachers Local 1581, a copy of which agreement is attached to this resolution; and

WHEREAS, the Union membership ratified the tentative Agreement on June 16, 2019, and the Port's bargaining team recommends approval of the collective bargaining agreement by the Board of Directors; and

WHEREAS, in accordance with the Title 2, Guam Administrative Rules and Regulations, Chapter 5, Public Employee-Management Relations Act, Section 5105(d), such agreement shall be transmitted to the Governor of Guam for approval, which copies of the approved agreement shall be filed with Civil Service Commission, Department of Labor and Department of Administration; and

WHEREAS, on November of 2012, the former Board of Directors approved the collective bargaining unit agreement as negotiated between the Guam Federation of Teachers and Jose D. Leon Guerrero Commercial Port. The agreement had stalled because of the lack of authorized signatories in order for the union and the Port to implement the provisions of the agreement; and

WHEREAS, in the Leon Guerrero-Tenorio transition report, one of the priorities and recommendations identified is Employee Issues. The report stated that "Mutual trust and greater understanding between management and employees would need to be built and created. The key elements in any organization's operation is cooperation and not confrontation between management and employees. Port employees have expressed the desire for the following:

- a. improved communication;
- b. management awareness of employee job-related concerns;
- c. personal growth and development;
- d. enhanced decision making skills;
- e. increased individual power;
- f. improved motivation; and
- g. opportunities for recognition of individual improvement"; and

WHEREAS, the transition report recommended that the Port invite the Guam Federation of Teachers to return to the negotiation table to augment the current agreement provisions to improve the work life of the employee; and

WHEREAS, on February 12, 2019, the Board of Directors adopted the ground rules between the Guam Federation of Teachers and Jose D. Leon Guerrero Commercial Port. Negotiations began on February 28, 2019 wherein an agreement by the negotiating team was reached on April 18, 2019. Once the agreement was formed, the negotiation teams spent the remaining days fine tuning the agreement. The agreement also included a thorough legal review, which the former Port Legal Counsel, had approved to form. Thereafter, the agreement was signed by the members of the negotiating committee on June 6, 2019; and

WHEREAS, at the outset of these negotiations, the guiding principles for these negotiations centered around an agreement consistent with the rule of law, fairness, transparency, and a structure which promotes a healthy employee/management relationship; and

WHEREAS, this agreement, not only reflected these guiding principles, but also addressed the desires of the employees outlined in the transition report and as reiterated above. Furthermore, the agreement was negotiated with the mindset that the outcome must be beneficial for all of our Port employees, and not only for Port employees who are members of the Guam Federation of Teachers; and

WHEREAS, the most significant aspect of the agreement is the scheduling of shift workers under Section 4.B., Operations Personnel/Shift Workers. The agreement defined the workweek of the Operations and Maintenance employees who are involved in cargo operations. It was further agreed that when no vessel operations are in port, the employees' workday shall consist of 8 hours. It restated as written in the Personnel Rules and Regulations the workweek schedule shall be prepared and posted at least 2 weeks in advance and changes to such schedule can only be made for good cause and notification of such changes must be given to the employees at least 24 hours; and

Board Resolution No. 2019-06 - Guam Federation of Teachers - Collective Bargaining Agreement

WHEREAS, the agreement promotes a greater sense of community spirit. Under Section 4.A.1, Good Housekeeping, Page 6, provides when there is no vessel in Port and the terminal yard is secured and on normal operations, these employees will participate in clean-up efforts at Port Beach, Family Beach, other Port property, as well as, other government properties in the surrounding areas; and

WHEREAS, the agreement provides fairness and equality amongst the workers. Under Article IV of the agreement, for all Port training programs, it was agreed that seniority shall be a deciding factor in participation of such programs. Employees will be given an equal opportunity to work weekends and holidays and a volunteer list will be established for employees to sign up for weekend or holiday work in order for the Port to secure a sufficient number of manpower requirements for vessel operations in the event of a shortage; and

WHEREAS, the agreement provides a foundation in establishing mutual trust and understanding between management and the employees. Under Section 2.F., Meetings, the Port agreed to meet on a quarterly basis with the union representatives to discuss matters on how the Port and Union can better work together to help further the mission of the Port and to serve the people of Guam. The agreement also allows the Port to include in its new employee orientation package informational material regarding the union and its membership; and

WHEREAS, the agreement strengthened a health employee/employer relationship. Under Article 5, Health and Safety Provisions, it was agreed that the Port will work with Department of Labor in identifying those employees who may qualify for pay differential under certain hazardous work conditions. Additionally, subject to the procurement regulations, the Port is to contract services of a certified environmental company specializing in hazardous and environmental working conditions in the event that Guam Occupational Safety & Health Administrator is unable to act on the Port's request for an inspection and investigation of any existing hazardous conditions; now therefore be it

**RESOLVED**, the Board of Directors finds that in the best interest of the Port are served by formally approving the negotiated five-year collective bargaining agreement between the Jose D Leon Guerrero Commercial Port and Guam Federation of Teachers Local 1581; and

**RESOLVED**, that the General Manager shall transmit the collective bargaining agreement to the Attorney General for his approval as to form and legality and the Governor of Guam for her approval in accordance with Title 2, Guam Administrative Rules and Regulations; and

**RESOLVED**, upon the approval of the Governor, copies of the collective bargaining agreement shall be transmitted to Civil Service Commission, Department of Labor and Department of Administration; and

**RESOLVED**, the General Manager and his appointed designee in his absence are authorized to execute the approved collective bargaining agreement on behalf of the Port and to implement any other documents necessary to carry out the intent and purpose of said agreement and this resolution; and be it further

**RESOLVED**, that the Chairman certify and the Secretary attest to the adoption hereof and that a copy of the resolution, along with the approved collective bargaining agreement, be transmitted to the Attorney General for his approval as to form and legality and Governor of Guam for her final approval.

PASSED AND ADOPTED UNANIMOUSLY BY THE BOARD OF DIRECTORS THIS  $26^{th}$  DAY OF JUNE, 2019.

### **MEMORANDUM**

TO:

Board of Directors

FROM:

Rory J. Respicio, General Manager My les in w

SUBJECT:

Resolution No. 2019-07 Crane Surcharge Reserve Account

Public Law 30-52 placed the Jose D. Leon Guerrero Commercial Port under the oversight of the Public Utilities Commission (PUC) for establishment or modification of rates and other charges.

Back in December 11, 2012, PUC approved the Port Authority's petition for crane surcharge through PAG Docket 12-02. With the 2018 Bond Indenture, it is encouraged for the Port to separate the crane surcharge revenues into two accounts: Crane Operating Account and Crane Reserve Account. Currently, the Port Authority of Guam maintains one savings account for all Crane Surcharge Revenues. The current interest rate for a saving account is 0.125 %, while the interest rate for one of the deposit product through Bank of Guam Trust account is 1.75%. Based on a \$4 million deposit for crane surcharge reserve account, the earnings is as follows:

\$4 million at 1.75% \$70,000.00 \$4 million at 0.125% \$5,000.00 Increase in earning (estimated) \$60,000.00

Request is being made through Board Resolution No. 2019-07 to authorize management to establish a crane surcharge account solely intended for crane reserve funds.

I am available for any questions you may have.

### Resolution No. 2019-07

### RELATIVE TO ESTABLISHING A CRANE SURCHARGE RESERVE ACCOUNT FOR THE PORT AUTHORITY OF GUAM

### BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE JOSE D. LEON GUERRERO COMMERCIAL PORT:

WHEREAS, Public Law 30-52 placed the Jose D. Leon Guerrero Commercial Port under the oversight of the Public Utilities Commission (PUC) for establishment or modifications of rates and other charges; and

WHEREAS, on December 11, 2012 through PAG Docket 12-02, the Public Utilities Commission approved the Port Authority of Guam's petition for Crane Surcharge; and

WHEREAS, the Port Authority of Guam recognizes the need to separate the Crane surcharge into two separate accounts: Operating and Reserve; and

WHEREAS, the Port Authority of Guam shall deposit 90.5% of Crane surcharge revenues to a Crane Operating Account "CO Account" and 9.5% into a Crane Reserve Account "CR Account"; and

WHEREAS, the Port Authority of Guam currently maintains one savings account for all Crane Surcharge Revenues; now therefore be it

RESOLVED, that a new account be created solely intended for Crane Reserve funds; and be it further

**RESOLVED**, that the Port Authority of Guam authorizes the Bank of Guam Trust Services Department to establish an account for the Crane Reserve; and be it further

**RESOLVED**, that the following individuals are the authorized signatories for the Crane Reserve account; and be it further

- 1. Rory J. Respicio, General Manager
- 2. Dominic G. Muna, Deputy General Manager of Operations
- 3. Connie Jo Shinohara, Deputy General Manager of Administration & Finance
- 4. Jose B. Guevara III, Financial Affairs Controller

**RESOLVED**, that the Chairman certify to, and the Secretary attest to, the adoption hereof and that copies of the same be thereafter transmitted to Bank of Guam.

PASSED AND ADOPTED UNANIMOUSLY BY THE BOARD OF DIRECTORS THIS  $30^{th}$  DAY OF JULY, 2019.

### **MEMORANDUM**

TO:

Board of Directors

FROM:

Rory J. Respicio, General Manager

SUBJECT:

75<sup>th</sup> Guam Liberation Commemorative Booklet

The Port Authority of Guam received a request from Mr. Robert Hofmann, Co-Chair of the Liberation Festivities, inquiring whether the Port would be interested in acquiring the 75<sup>th</sup> Guam Liberation Commemorative Booklet, Special Edition.

As a port of entry, the Port is visited by various dignitaries, such as high ranking military officials, port federal partners to include potential investors. The commemorative booklet would be ideal to share the story of how Guam was liberated by the U.S. military from the Japanese Occupation during World War II, and more importantly, the people's resilience in overcoming past events and rebuilding our island in what it is today. This celebration can also be shared with notable ATOSSCOM members at the 46<sup>th</sup> Annual Conference the Port Authority is hosting next week.

In light of this, Board approval is being requested to acquire 25 books with a total cost of \$1,125.00 by way of a direct payment which will be funded through the General Manager's office under Dues and Subscriptions account.

Your favorable consideration in the acquisition of the 75<sup>th</sup> Guam Liberation Commemorative Booklet, Special Edition is greatly appreciated.

Si Yu'os Ma'ase.
