INVITATION FOR BID No. PAG-CIP-021-004

Repair of Concrete Cracks & Spalls at the Port Authority of Guam CFS Building

Questions and Responses:

- Q1. The unit spalls quantities specified on the bid schedule is in cubic feet (CF). Please advise the approximate depth of the spalls considered on the quantities provided
- R1. **The depth varies from location to location.**
- Q2. Volume 5 of the bid documents specified Scope of Works/Specifications/Drawings but there's no specifications and or drawings included on the bid package. Please provide specifications for us to have guide for the required materials and method for the repair works.
- R2. **See Amendment 1.**
- Q3. The exposed rebar is too corroded. Please provide method on how you want us to do the repair of the corroded rebar.
- R3. **See attached drawings in Amendment 1.**
- Q4. Since drawing is not provided on the bid package but under General Conditions Item V Quality of Works, para.2 states that shop drawing is required prior to start of works. Please confirmed this requirement and also advise if the shop drawing is required to signed by PE
- R4. **See attached drawings in Amendment 1.**
