Questions, Concerns and Responses

Question: Can PAG Team confirm if Port will assist (provide equipment assistance) the contractor in loading the Gangway to our flatbed truck? Or will the contractor need to bring their own equipment during the demobilization of the Gangway from Port yard to our yard?

Response: Port Team will assist contractor to load in their **Own Flatbed Truck** provided that they have a General Liability Insurance of 1,000,000.00 coverage and include Port Authority of Guam as a co-insured to enter the Port compound.
