(i) the contractor brings an action appealing the decision to the Office of Public Accountancy.

D. The contractor shall comply with any decision of the Procurement Officer and proceed diligently with performance of this contract pending final resolution by the Superior Court of Guam of any controversy arising under, or by virtue of, this contract, except where there has been

a material breach of the contract by the territory; provided, however, that in any event the contractor shall proceed diligently with the performance of the contract where the Chief Procurement Officer, the Director of Public Works, or the head of a Purchasing Agency has made a written determination that continuation of work under the contract is essential to the public health and safety.

XXI. Retention and Access to Records and Other Review.

The Consultant, including subcontractors, if any, shall maintain all books, documents, papers, accounting records and other evidence pertaining to the services performed and costs incurred, and to make such materials available at its respective offices at all reasonable times during the Agreement period and for six (6) years from the date of the final payment under the Agreement, for inspection by the Port. The Port agrees to comply with reasonable requests of Consultant to provide access to all documents and Port property reasonably necessary to the performance of Consultant's services under this Agreement. The conditions of this section shall be placed in any subcontract or assignment arising under this Agreement.

XXII. Liability.

A. **Indemnification.** Consultant shall indemnify and hold harmless the Port and its officers, agents, Board members and employees from or on account of any claims, losses, expenses, injuries, damages, actions, lawsuits, judgments, or liability resulting or arising from (but only to the extent caused or contributed to by) the negligent or wrongful act or omission of the Consultant or its employees, officers, directors, contractors, agents, representatives, successors, or assigns, in the performance or nonperformance under this Agreement.

B. **The Port is not Liable.** The Port assumes no liability for any accident, loss, claim, judgment, action or injury that may occur to the Consultant and/or the Consultant's officers, directors, agents, servants, subcontractors and/or employees, and/or to the personal property of any such person or entity, arising out of the performance of services under this Agreement except to the extent caused or contributed to by the negligent act or omission of the Port. In addition, no Board member, officer, agent, or employee of the Port shall be liable personally under or by reason of this Agreement or any of its provisions. In addition, the Port assumes no liability for any accident or injury that may occur to Consultant's officers, directors, employees, agents, or dependents while traveling to and from Guam in furtherance of this Agreement.

XXIII. Delays, Extensions and Suspensions.

The Port unilaterally may order the Consultant in writing to suspend, delay, or interrupt all or any part of the work for such period of time as it may determine to be appropriate for the convenience of the Port. The Consultant agrees to prosecute the work continuously and diligently apart from those periods of suspension, delay or suspension. Except as otherwise agreed to by the Parties, reasonable time extensions for the performance of Consultant's services will be granted only for excusable delays that arise from causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God, acts of the public enemy, acts of the Government of Guam or the Government of the United States in either its sovereign or contractual capacity, acts of another contractor in the performance of an agreement with the Government of Guam, fires, floods, typhoons, earthquakes, epidemics, quarantine restrictions,

strikes, freight, or embargoes.

XXIV. Modifications including those Due to Public Welfare, Change in Law or Change in Marketing Conditions.

The Port shall have the unilateral power to modify the Agreement at any time subject to the written agreement of Consultant. The Port shall have the power to make changes in the Agreement as a result of changes in law and to impose new rules and regulations on the Consultant under the Agreement relative to the scope and methods of providing services as shall from time-to-time be necessary and desirable for the public welfare. The Port shall give the Consultant notice of any proposed change and an opportunity to be heard concerning those matters. The scope and method of providing services as referenced herein shall be liberally construed to include, but is not limited to, the manner, procedures, operations and obligations, financial or otherwise, of the Consultant. In the event of any future change in federal or Guam laws, the Port materially alters the obligations of the Consultant, or the benefits to the Port, then the Agreement shall be amended consistent therewith. Should these amendments materially alter the obligations for the Consultant, then the Consultant or the Port shall be entitled to an adjustment in the rates and charges established under the Agreement. Consultant shall be entitled to terminate this Agreement rather than accept modified terms. Nothing contained in the Agreement shall require any party to perform any act or function contrary to law. The Port and the Consultant agree to enter into good faith negotiations regarding modifications to the Agreement, which may be required in order to implement changes in the interest of the public welfare or due to change in law. When such modifications are made to the Agreement, the Port and the Consultant shall negotiate in good faith, a reasonable and appropriate adjustment for any changes in services or other obligations required of the Consultant directly and demonstrably due to any modification in the Agreement under this clause.

XXV. Independent Consultant and its Employees.

A. Status of Consultant. The Consultant and its officers, agents, servants, subcontractors and employees are independent contractors performing professional services for the Port, and are not employees of either the Port or the Government of Guam. The Consultant and its officers, agents, servants and employees shall not accrue vacation or sick leave, participate in the Government of Guam retirement system, insurance coverage, bonding, use of government vehicles or any other benefits accorded to Government of Guam employees as a result of this Agreement. Consultant agrees that Consultant and its aforementioned employees, officers, directors, agents, servants, and subcontractors are not and will not become an employee, officer or Board member of the Port at any time during the duration of this Agreement, and will otherwise comply with the provisions of the Guam Procurement Law regarding ethics in public contracting (Title 5 Guam Code Annotated, Chapter 5, Article 11, and its associated rules and regulations). Nothing in this Agreement or any action taken under this Agreement shall be deemed or construed in any manner or for any purpose to evidence or establish as between Consultant and the Port a relationship of partnership, agency, association, joint, venture or representative, nor does this Agreement authorize any party to undertake or bind any obligation or responsibility on behalf of the other party. In addition, there shall be no withholding of taxes by the Port for the Consultant.

B. Liability. The Consultant assumes responsibility for its personnel and subcontractors providing services hereunder and will make all deductions and payments for social

security and withholding taxes and for contributions to employment compensation funds, or any other payments required by the governments of the U.S. and Guam, if required. Consultant is responsible for paying when due any and all income taxes, gross receipts taxes, or any other taxes or assessments incurred as a result of the services performed by the Consultant and Consultant's employees or agents under this Agreement or the compensation paid to Consultant for services performed under this Agreement. Furthermore, Consultant shall maintain at the Consultant's expense all necessary insurance for its employees including but not limited to Worker's Compensation, Errors and Omissions, and liability insurance for each employee as required under U.S. and Guam Law and the mandates of the underlying RFP to this Agreement. Consultant agrees to hold harmless and indemnify the Port, its officers, directors, employees, agents, representatives, successors and assigns, for any and all claims, demands, costs, losses, fees, penalties, interest, or damages, including attorney's fees, which may be brought or asserted due to (i) any injury, death, or property damage arising from the negligence or other wrongful or tortuous acts of Consultant or Consultant's employees, officers, contractors, directors, agents, representatives, successors, or assigns, or (ii) Consultant's failure to comply with terms of this subparagraph B.

XXVI. Disclosure.

The Consultant hereby represents that it has disclosed to the Port all matters regarding Consultant which if not disclosed to the Port would materially affect the Port's decision to enter into this Agreement with Consultant.

XXVII. Disposition of Property and Materials; Intellectual Property Rights.

A. All plans, outlines, briefs, memoranda, studies, reports, analyses and all other work product and materials incidental or otherwise ("Work Product") which are produced by reason of this Agreement shall be and remain the property of the Port, regardless of whether Consultant is in possession of such Work Product, and may be used by the Port without permission from Consultant and without any additional costs to the Port.

B. All Work Products, including any and all intellectual property rights in said Work Product, arising out of the Agreement shall be the sole and exclusive property of the Port. Consultant explicitly acknowledges that the Port possesses exclusive rights to the Work Product arising out of this Agreement. Consultant shall not use or permit others to use in any way or form the Work Product without the express written consent of the Port.

XXVIII. Disqualification.

Consultant agrees and acknowledges that it will be disqualified from participating in procurement opportunities relating to this project as it has developed or participated in the development of specifications that will be used in the construction and/or implementation of these specifications.

XXIX. Attachments, Exhibits, Schedules, and Entire Agreement.

The Agreement, including its Attachments, Exhibits and Schedules, constitute the entire Agreement and supersedes all prior written or oral understandings. No Agreement, oral or written, expressed or implied, has been made by any party hereto, except as expressly provided herein. All prior Agreements and negotiations are superseded hereby. This Agreement and any duly executed amendments hereto constitute the entire Agreement between the Parties hereto.

XXX. Computation of Time.

Whenever this Agreement provides for a time period of ten (10) days or less days, weekends and Government of Guam holidays are not included in the computation. When this Agreement provides for a time period of over ten (10) days, weekends and Government of Guam holidays are to be included in the computation.

XXXI. Partial Invalidity.

If any provision of this Agreement shall be deemed by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue to be in full force and effect.

XXXII. Amendments/Modifications.

Any amendment or modification to this Agreement will be effective only if it is in writing and signed by both parties.
