## NEWS RELEASE

### Port Announces Maritime Resilience & Innovation Summit on October 22

The Port Authority of Guam is proud to announce the upcoming **Maritime Resilience & Innovation Summit on October 22, 2025** at the Hyatt Regency Guam. This event will be part of **Port Week 2025**, with additional activities to be announced in the coming weeks.

Building on the momentum of federal initiatives supporting national port leadership and Guam's role in the **U.S. EPA Clean Ports Program**, the Summit will bring together industry, agencies, and regional stakeholders to drive progress and showcase models for environmental stewardship and maritime excellence.

Attendees will engage in discussions on sustainable and resilient energy systems, infrastructure modernization, and the future of port operations. The Summit also marks a significant milestone—50 years of the Port Authority of Guam's service to the island and the region, supporting economic growth and national security.

**Email [info@portofguamsummit2025.com](mailto:info@portofguamsummit2025.com) to register by October 7. This event is free to attend.**

#### Why attend?

As Guam continues to play a strategic role in the Indo-Pacific, the Port recognizes the importance of investing in systems that withstand environmental disruptions, support energy-efficient operations, and adapt to evolving geopolitical and logistical demands. The Summit will highlight how energy resilience and adaptation are essential to long-term operational success.

Port of Guam, Jose D. Leon Guerrero Commercial Port is an Equal Employment Opportunity Employer. Complaints of discrimination should be sent to the Human Resources Division.
